Give From The Heart

Each year, Houston Christian receives applications from a diverse group of bright young people who dream of attending HC, but are not able to afford the full cost of tuition. The generosity of HC parents, grandparents, board members, alumni, and friends enable many highly qualified students to attend our school.

Notes from the Hearts that have been touched:

"Teachers at HC care about what you learn, but they also care about the person you will be. Whatever path I take in life, I know that HCHS has helped set my direction. And one day, I want to be able to give back and help people the way you hav helped me."

"I cannot begin to express how grateful I am to the wonderful, generous donors who make this type of opportunity not just a dream, but a miraculous reality for students like me. I pray that God continues to touch the hearts of wonderful donors like you, who make the dreams of girls like me come true."
