WA Head of School Search Update

Wednesday, May 6, 2020

We wanted to share a brief update that the Head of School search process has been moving forward along its original timeline, and we continue to be on track with a strong and growing pool of interested and well-qualified candidates!

The application deadline as noted in the **Worcester Academy: Head of School Position Statement** is May 18, 2020. The Search Committee will then work with our consultants to review the applicant pool and begin narrowing it down to a group of semi-finalists with whom we will speak in June, and then ultimately to our finalists who will visit campus in the fall.

Information regarding the search process including the Position Statement, FAQs, and all previous committee updates can be found on the Head of School Search landing page at https://www.worcesteracademy.org/about/head-of-school-search.

Many thanks for your participation in and support of the search process!

Susan C. Puryear P'19, P'21
Search Committee Chair & Board Member
