CAMPUS MINISTRIES

Dr. Jason L. Walton, Head of School

"There are exciting activities planned for Prep students for the 2015–2016 school year. We have worship events and other opportunities for spiritual development throughout the year. I encourage every Prep student to find a Christian fellowship and continue to grow spiritually. I have the joy of promoting these spiritual enrichment opportunities. Check out the events highlighted in this brochure and plan to get involved."

Ginger Arledge,
PAT Campus Ministries Chair

"We are fortunate our Prep students attend a school that recognizes the value of Campus Ministries. The spiritual dimension in each Prep student is vital for their continued growth and maturity. In my opinion, a student's spiritual life is just as important as their academic pursuits. I encourage every student to get involved.We are looking forward to a Christ-honoring year."
