We ask that you send these supplies with your child **on the first day of school**.

Please prepare one packet per child.

Place all items in a one-gallon “Ziploc”-type freezer bag and write your child's name and classroom or grade level on the outside of the bag.

**Items that must be included:**

- 3 small containers of water
- 3 pull-top fruit or puddings
- 3 granola bars, plain cracker or cheese/cracker packages*
- 3 plastic spoons
- 1 small package of moist towelettes
- 1 roll of Lifesavers or hard candy
- 1 fruit snack or roll-up
- 1 pocket-size package of Kleenex
- A "space blanket"
- 2 Cyalume sticks (light sticks)
- Any vital medicines or prescriptions—enough for 24 hours coverage

**Separate, optional items:**

- An extra set of underwear and socks
- Feminine hygiene products
- Extra eyeglasses
- A collapsible cup
- A travel toothbrush and toothpaste
- For the younger children, a tiny stuffed “Earthquake Buddy”
- A letter from parents, written to your child with comforting words and reassurance that you will be reunited as soon as possible, and perhaps a picture of the family. Both should be sealed in an envelope with the child's name written on the outside. Place this in the “Ziploc” bag so the name can be seen without the bag being opened.

*Please **DO NOT** include peanut butter because of student allergies.
