Extended Day Program for 2012-2013

We offer Extended Day on the Fort Lauderdale Campus to families with children enrolled in our Pre-Kindergarten through Fifth Grade. We have designed our Extended Day to be a convenient and helpful service to parents—and fun for our young students!

Ms. Ruth Bresnahan, a certified physical education teacher, guidance counselor and member of the Pine Crest faculty, directs the program from 3:25 p.m. to 6:15 p.m. on full class days.

Activities
Extended Day is available on all full days of class. Afternoon snack is provided. Planned activities include our new state of the art playground, arts & crafts, board games, recreational reading, special guest performances, viewing of varsity team competitions and for the older students, supervised study time. At various times, Upper School students visit as a community service. The Extended Day program meets in Stacy Hall Room 1.

Coordination with Other Campus Programs
Flexibility is a prime objective of Extended Day. Long-term arrangements are easiest to manage, but we are most willing to accommodate occasional use of our service and changes in family plans.

If parents wish, students can go first to swimming or tennis lessons, art lessons or extra-help sessions, and then join Extended Day for the remainder of the afternoon.

The director should be informed if a student is attending another activity before joining Extended Day. It is the responsibility of the coaches, club sponsors or teachers to accompany the student to the Extended Day location.

All other students are expected to leave campus immediately after the class day ends or at the conclusion of participation in school-sponsored or school-supervised activities.

Pick-Up and Bus Service
Children are picked up before 6:15 p.m. and at the conclusion of the program from Stacy Hall Room 1.

There is a late charge automatically added to a student’s account for pick-up after 6:15 p.m. because staff must stay until all children are met. In order to discourage late pick-up, no staff member may waive the late charge for any reason.

Consistent or excessive number of late pick-ups will require withdrawal from the program.

Bus service can be coordinated with Extended Day under the fee structure described in the “Bus Service for 2012-2013” brochure. There is no additional charge for bus if children are using round-trip service for the year. Please call the Transportation Office for information about route changes, late bus routes, drop-off points, and times. Please also gain approval from the Lower School Division Head.

Late Bus Routes
North Late Bus: travels north on US #1 to Palmetto Park Road in Boca Raton, west to St. Andrews Blvd., north to Yamato Road, west to Jog Road, south to Palmetto Park Road, and then returns to campus. Bus stops at Boca Raton campus.

Southwest Late Bus: travels south on I-95 to I-595, west to I-75, north to Indian Trace to St. Paul Lutheran Church then contines to I-595 east to Hiatus Road at the Walgreens.

Facilities
Extended Day uses the outstanding facilities of our Pine Crest School Campus, including the Elementary and Pre-Primary Playgrounds, and the Lower School’s Stacy Family Arts & Activities Center and Egan Auditorium.

“Many of our students develop new friendships which continue through their years at Pine Crest School.”
Ruth Bresnahan, Director

“We get to finish homework, eat snacks, and play on the playground.”
Mackenzie Snyder, Fifth Grade

“I love this program! We go to the playground everyday and get to play with my new friends.”
Sophia Farkas, Pre-Kindergarten
Fees

Our charges are designed to cover the cost of staffing, materials and supplies, and the use of campus facilities and equipment.

Most families select full-year enrollment, which is the lowest cost. Semester enrollment is also available for families who have special projects that require extended, if not full-year, participation. Drop-ins for single-day use are also welcome, if space and staffing are available.
