IN MEMORIAM

STEVEN PHILIP SHAILER ’86

Steven P. Shailer (41) of Fort Lauderdale, FL and New York, NY passed away on December 7, 2009. Steven was the son of Phil and Midge Shailer, and the brother of Leslie Shailer Curley ’82 and Tracy Shailer Coe. A memorial celebration was held Saturday, December 12, 2009 at Pine Crest School’s Egan Auditorium.

In his eulogy for Steve, friend and alumnus Lee Banks ’85 said, “Steve was particularly easy to love. Not often do you find a charismatic, artistic, intelligent, athletic, and good-looking guy who is more concerned about others than himself; a person with all the reasons to be egotistical but is the farthest thing from it. The diversity of his enduring friendships is a testament to his character and his ability not to judge others. The capacity for this is as rare today as the finest of wines, and I toast my friend for his unique innocence. May we all take a lesson from him…I know Steve would like that.”
