This year we are pleased to premiere BidPal, an interactive wireless automated silent auction bidding process. With BidPal, you can bid anytime, from anywhere at the event. You can bid on items, watch items, and be instantaneously alerted when you have been outbid. At the end of the auction, you know exactly what you have won. No more running back and forth to the bidding tables. Look for volunteers with a green lanyard to assist you with BidPal.
Get Started!
Gently tap the screen with your fingertip.

How Do I Find Items?
You can find items by pressing one of the four BLUE buttons on the Main Menu:

Revolutionizing Charitable Fundraising
The Silent Auction will be held from 6:30 p.m. to 8:00 p.m.

The Silent Auction closings will be staggered prior to the closing of the Silent Auction in order to allow time for final bids.

The Live Auction will begin during dinner and continue until all items have been sold.

1. Use only the paddle number assigned to you for bidding purposes. This is the bidder’s identification number.

2. Unless otherwise specified, all Auction items and services must be used within one year of March 24, 2012. Please check all gift certificates for date, time and expiration as each one varies. Dates and times should be arranged at the mutual convenience of both the buyer and the donor unless stated otherwise.

3. Upon arrival, you are encouraged to pre-register a credit card with the cashier to facilitate your checkout. All items purchased will be automatically charged to the credit card, and a receipt will be delivered to you. Silent Auction and Live Auction purchases may be accumulated and paid for together.

4. Cash, checks, MasterCard, Visa, and American Express will be accepted for payment. Checks should be made payable to Pine Crest School at Boca Raton Parents’ Association. Payment in full on the evening of the event is mandatory.

5. All sales are final. There will be no exchanges or refunds.

6. By his/her purchase, the buyer waives any claims of liability against Pine Crest School at Boca Raton, or the donor, or property or services. Neither the school nor the donor is responsible for any personal injuries or damages to property that may result from the utilization of property or services sold.

7. Pine Crest School at Boca Raton, its employees, agents or chairpersons for this fundraising event give no warranty nor guarantee, expressed or implied, on all items which are sold “as is”.

8. Buyer’s PAID receipt must be presented at the pick-up tables in order to receive items.

9. All Auction items must be removed the evening of the Auction unless mutually agreed upon between purchaser and chairpersons.

10. In reference to faculty and staff donations, items or activities are not subject to change.

11. Gratuities and sales tax are generally not included in packages.

12. Items are not redeemable for cash.
Special Guidelines

Silent Auction

This year’s Silent Auction will be conducted through BidPal, a wireless automated bidding process, which features the use of iTouch devices. In the event we are unable to proceed with BidPal due to unexpected wireless interruption, we will revert to a paper auction and the following rules will apply.

1. Bid sheets for all items in the Silent Auction are attached to the table. Persons wishing to bid should do so by writing their bidder number on the bid sheet.
2. Each increase in bid must equal or exceed the minimum increase stated on the bid sheet in order to constitute a valid bid.
3. Under no circumstances may a bid be scratched off. If an error has been made, the correction must be initialed by an authorized person.
4. Under no circumstances may a bid sheet be removed from the table.
5. An authorized person may disqualify your bid if you are blocking the bidder’s table fifteen (15) minutes prior to the closing bid.
6. The Silent Auction will open for bidding at 6:30 p.m. The closing of the Silent Auction categories will be staggered in order to allow time for final bids. The closing bid circled by the auction official constitutes the winning bid. In the event of a dispute, an auction official will conduct a verbal mini-auction between the bidders. The highest bidder wins.
7. The Auction Committee reserves the right to hold on-the-spot mini auctions. The Auctioneer will announce over the public address system that a live, on-the-spot mini-auction is about to commence. All bidders should remain keenly aware that any item, especially the popular school spirit items, could go live on-the-spot at any time. The burden is on the bidders to listen for the Auctioneer’s announcement.

Live Auction

1. Live Auction will begin during dinner.
2. The paddle number is registered in your name and should be used for bidding.
3. Each bid legally obligates the bidder to pay his bid price in full if it is deemed the high bid at the fall of the Auctioneer’s gavel.

Gift Substantiation - Quid Pro Quo Disclosure Statement

1. Only the amount paid, if any, in excess of fair market value can be considered a charitable contribution.
2. It may be difficult, if not impossible, to establish the fair market value of one-of-a-kind items. Therefore, the IRS is likely to hold that the purchase price is the fair market value.
3. The donor of a non-cash gift to the Auction may take a deduction for a charitable contribution. If the gift is valued at more than $500, the donor must complete IRS form 8283. A non-cash gift valued at more than $5,000 must be valued by a qualified appraiser.
