FINANCIAL AID

Parents should notify the Admission Office that they wish to apply for financial aid either during the re-enrollment process or indicate it on the admission application when applying to Pine Crest School. Materials will be sent with procedures to follow.

FINANCIAL REGULATIONS

Tuition is the major source of income for Pine Crest School, a non-profit corporation. Tuition allows our school to strengthen programs and faculty compensation and to operate with fiscal responsibility.

General questions regarding school tuition, payment plans and financial aid may be directed to the Business Office. The Business Office telephone number is 954-492-4161.

UPPER SCHOOL GRADUATION REQUIREMENTS

To receive a Pine Crest School diploma, a student must complete at least the last full year as a Senior at Pine Crest School. The Pine Crest School Handbook is available online.

Students are entered into Pine Crest School under an enrollment or re-enrollment contract for the entire school year, or from the time of enrollment until the end of the school year. No reduction can be made for health, change of residence, absence, voluntary or involuntary withdrawal, or expulsion. Parents are obligated for the full year.

Tuition refund insurance is included in tuition cost. This program insures a portion of the total tuition in the event of student withdrawal for medical causes, dismissal by the school, or some other reason.

Pine Crest has an “Open Admission Policy” of non-discrimination on the basis of race, creed, ethnic origin, gender, disability and similar factors. Committed to the development of cultural, racial, religious, economic and geographic diversity in our school community, we do not discriminate in the administration of educational policies, financial aid, athletics or other programs.

Although a Pine Crest education will always be a significant financial commitment for a family, we will do our best to keep tuition low through careful management of school resources and through our best effort to gain alternate sources of income from an expanded endowment, summer programs and charitable giving. In return, we seek families who will place the educational experience as a first priority in budgeting their financial resources and in their commitment of time.
