We Are Pine Crest.

The Pine Crest Difference

We are the reason for the Pine Crest difference.
The Pine Crest trustees and administration recognize the sacrifices families make to offer their children a high-quality education and strive to keep tuition as low as possible. Like most independent schools, tuition does not cover the full cost of the Pine Crest experience; we rely on the tradition of annual, charitable, tax-deductible giving. Contributions to the Annual Fund are used during the year they are given, making an immediate impact on the education of every child every day.

We are for the Pine Crest difference.
The Pine Crest Difference and an education of the highest quality further enhance the generosity of our families. Leaders underwrite our children’s high-quality education to ensure every child has the opportunity to attend. Tuition alone does not cover the cost of educating children at Pine Crest. Contributions improve the educational environment, enabling an even greater impact on the education of every child every day.

You Make the Difference.

Remember: The only gift that is too small is no gift at all!

Pledge Envelope

To make your tax-deductible gift, please complete the enclosed pledge envelope indicating your method of payment. Checks should be made payable to Pine Crest School. You may double, and sometimes triple, your dollars if employed by a company that matches gifts. Simply complete and enclose a matching gift form, which usually can be found on your company’s website, or you may obtain one from your HR Department.

Pine Crest Difference

A healthy Annual Fund directly benefits today’s students, supporting virtually every aspect of their Pine Crest experience:

• Two pristine campuses which boast LEED-certified buildings that are ergonomically and environmentally sensitive, with adaptive seating and Harkness-style teaching tables
• 275 distinguished and nurturing faculty members with more than 50 percent holding advanced degrees
• Playgrounds designed to refine and enhance sensory and motor skills, and outside organic gardens and animal habitats used as natural classrooms
• Competitive athletic program with 60+ sports teams (In 2011-12 Pine Crest Panther teams secured eight District, five Regional and three State Championships.)
• Outstanding performing and visual arts programs including dance, music, theater, and forensics
• Fully functioning, live-broadcast television studios on both campuses
• Unique Upper School programs including The Institute for Civic Involvement (ICI), a center for service learning and political activism, and the nationally recognized Science Research Program
