HARVEST OF THE MONTH ~ "HEALTHY TO A T" NEWSLETTER

We promote our Harvest of the Month Program to expose students to fresh, healthy foods and try something they may not normally try at home. We use "On Display" chef demonstrations or give out samples to try! Weekly educational fact flyers are prominently displayed in the café with fun facts aimed to garner interest and attention to the food.

Our "Healthy to a T" newsletter, which will be posted on the school's food service website, incorporates tips on a healthy lifestyle, and features interesting facts and a recipe for you to try at home for either the featured fruit, vegetable, spice or herb.

WORDWARE SCHOOL LUNCH DEBIT ACCOUNT

We are partnering with Wordware Inc. to offer parents and students the convenience of a Computerized system for payments and purchases. Parents can also pay daily with cash or checks made out to Taher Inc.

Parents will soon be able to log on to the Wordware site to set up their student's account and online payments. We expect to have the computerized system ready in the next few weeks.

- Watch for communication soon with the link to Wordware's site and instructions
- Until your account is set up, please send payments with your student in an enveloped with your students first and last name written on the outside. Checks should be made out to Taher Inc.
