2019-20 School Year Plan

The Hornet Sports Association (HSA) is designed to help organize and facilitate the formation of youth sports teams for all Greenhill students who wish to play sports in grades Prek -6. We serve as a central clearinghouse for getting these teams up and running in an inclusive and timely manner.

A few reminders:

- We do not hold tryouts. We rely on volunteer coaches for all teams, but will find a coach for hire (if needed);
- We make every effort to recognize existing teams/keep existing rosters together;
- In Grades 1&5, when (and if necessary), HSA reserves the right to reshuffle rosters;
- Practice days, times, and league choice are determined by the coach, not HSA;
- Hornet Soccer will provide a variety of options for training sessions during the week based on your personal preference;
- Greenhill facilities are made available for practices in conjunction with athletic department and rental needs;
- REMINDER: Encourage your friends and classmates to sign up through HSA; we can only create teams where there is ample participation.

Hornet Sports Association (HSA) Program Overview:

**FALL: Enrollment will be Mid-August**
- Boys/Girls Hornet Soccer: All grade levels
