ABSTRACT & EXPERIMENTAL PHOTOGRAPHY  
(For Credit: Course 6135)  
Grades 9-12  
Weeks 2-4  
Prerequisite: BEGINNING B&W or with instructor’s approval, see Mr. Lopez. Photography has been defined by the act of capturing a moment with time, light and subject matter. This course will delve deeper into redefining the process and manipulation of photographic materials utilizing traditional and contemporary processes. Students will explore the relationship between silver, light, metal, glass and paper in addition to creating alternative toning methods, silver emulsion manipulation and pinhole imagery. To receive credit, Upper School students are required to have 100% class attendance.  
Instructor: Frank Lopez, Greenhill School  
Schedule: June 1-19, 1:00 pm-4:00 pm, (3-week class)  
Cost: $750; Supplies Fee: $30

ART MASH-UP – MIXED MEDIA ADVENTURES  
Grades 6-9  
Weeks 8, 9  
Mixed media provides opportunities for campers to express their unique personalities in a variety of ways. Students will use various materials and techniques, such as collage, printmaking, bead making, washi tape silhouettes, and stencil work. We will also work with printmaking supplies, acrylic paint, and watercolors. We will create works of art, cards, and journals for art-making adventures well after the class is over. Each week we’ll create different projects, so plan to attend both classes.  
Instructor: Rebecca Shuman, Greenhill School  
Schedule: July 13-17, July 20-24, 9:00 am–12:00 pm  
Cost: $190

ART INTERACTIONS  
Grades 6-9  
Weeks 4, 5, 6  
Join us as we interact and create various types of works using different mediums throughout this camp. Explore with watercolor, drawing, collage, and photography. We will take field trips to various places around the metroplex to see how art is created and displayed throughout our community. Depending on the weeks that you attend, you will have the opportunities to learn basic watercolor and inking techniques along with various other art mediums. Sketchbook required and camera recommended. Time for some summer art fun!  
Instructor: Thomas Martinez, Plano ISD  
Schedule: June 15-19, June 22-26, June 29-July 3, 9:00 am-3:00 pm  
Cost: $330

BASKETBALL CAMP - ELITE  
Grades 5-9  
Weeks 3, 7  
Our Basketball Camp is based on a few simple philosophies. We believe athletes should enjoy a lot of game play—each camper has three league games per day. Students need to have a basketball in their hands frequently—our campers have two sessions of ball handling and dribble-move work daily. Campers will receive focused daily instruction on two major fundamentals, rather than scratching the surface with multiple fundamentals, to create more positive results. In addition to game play, our campers participate in an individual skills contest and in a weeklong team skills competition.  
Coach: Joey Sims, Varsity Basketball Coach & Physical Ed Teacher, Greenhill School  
Schedule: June 8-12, July 6-10, 9:00 am-3:00 pm  
Cost: $330

COLLEGE ESSAY WRITING WORKSHOP  
(Enrichment Course, Not For Credit)  
Grade 12  
Weeks 3, 4, 10, 11  
This program is a weeklong workshop to help students begin the college essay writing process. Students will participate in writing exercises, study what makes a strong narrative, brainstorm topics for and begin to draft an essay for either the Common Application or ApplyTexas, as well as explore how to approach college-specific supplemental essays. Open only to rising Greenhill seniors, students must be able to commit to the entire week. Space is limited each week, so entrance is awarded on a first-come, first-served basis. Students may register for only one of the four sessions. Limit 20 per class.  
Instructors: Andy Mercurio, Karin Thomas, Greenhill School  
Schedule: June 8-12, June 15-19, July 27-31, August 3-7, 1:00 pm-3:00 pm  
Cost: $95
EXPRESS YOURSELF: SLAM POETRY
GRADES 7-9  WEEKS 5, 6
Have something to say? During this one-week camp, students will study the art of slam poetry to write and perform their own poem. They will work in safe, supportive, and affirming space that will challenge them to write from their heart. At the end of the camp, students will leave this class more confident writers, performers, and humans!
INSTRUCTORS: Abby Seeskin, Greenhill School
SCHEDULE: July 22-26, 9:00 am-12:00 pm
COST: $330

EXTRA ORDINARY LEAGUE OF MONSTER HUNTERS
GRADES 6-9  WEEK 5
Everybody knows there are no such things as monsters...but you are part of a secret band of monster hunters dedicated to saving humanity. It will take critical thinking skills, communication, teamwork, and creative problem solving to win back the night. In this camp, we will be playing a tabletop role-playing game (RPG) in the style of Dungeons and Dragons where you solve problems and discover adventure in a world where the rules are very different from our own! If you love to play games, if you have never played an RPG and would like to learn how, or even if you just like telling stories and using your creativity, this camp is for you! Included in the cost of the camp is a set of dice, a dice bag, and custom pencils to remember camp by!
INSTRUCTORS: Blake Harkey, Greenhill School
SCHEDULE: June 1-12, June 15-26, 9:00 am–3:00 pm
COST: $660 (2-week camp)

HARRY POTTER FOR MIDDLE SCHOOL
GRADES 5-9  WEEKS 2-3, 4-5
Imagine yourself under an invisibility cloak playing hide and seek at camp—and the rest of the campers have a Marauder’s Map! Come to Platform 9¾ and take the Hogwarts’ Express to Summer on the Hill’s most enchanting camp. For two amazing, “muggle-free” weeks, you will discover “The Hogwarts’ Way.” Snack on a handful of Bertie Bott’s Every Flavor Beans as you design your own wand and work robe. You and other wizards will be sorted into houses by the infamous “Sorting Hat” and participate in hands-on Hogwarts’ activities, including competing in Quidditch Matches! You will study Defense Against the Dark Arts, Charms, Care of Magical Creatures, Potions and invent your own spells.
INSTRUCTOR: Blake Harkey, Greenhill School
SCHEDULE: June 1-12, June 15-26, 9:00 am–3:00 pm
COST: $660 (2-week camp)

GAME CODING USING PYTHON
GRADES 8-12  WEEK 6
Designed for both the beginner and seasoned programmer, this camp teaches the Python Programming language, which is used by professional programmers. Students will learn both general computer science concepts and Python-specific syntax. Students will use their new knowledge to create interactive games such as Hangman and Word Guess.
INSTRUCTORS: Rex Programming
SCHEDULE: June 29-July 3, 12:30 pm-3:30 pm
COST: $205

GROSS DOMESTIC PRODUCT
GRADES 9-12  WEEKS 2-4
In this course, students will study how economic decisions are made, by whom and to what end. Topics will include monetary and fiscal policy, Gross Domestic Product, government’s role in the economy, globalization, and business cycles. To receive credit, students are required to have 100% of class attendance.
INSTRUCTORS: Genie Burke, Upper School Teacher, Greenhill School
SCHEDULE: June 22-July 10, 10:30 am-2:00 pm, (3-week class)  
COST: $750

GOVERNMENT IN ACTION – FOR CREDIT
FOR CREDIT: COURSE 4480
GRADES 11-12  WEEKS 2-4
This course will help students become better-informed citizens regarding the workings of American government and politics. We begin with an in-depth study of the American political system, from its beginnings under the founding fathers to its current existence. Tracing and analyzing the evolution of government’s role allows students to gain insight into American politics and to assess how the American government has been a constantly evolving entity. Topics of study include the U.S. Constitution, the three branches of the federal government, the electoral process, the ideas and organization of the two major parties, and current issues facing the U.S., both at home and abroad. We will also analyze how these topics affect students’ lives—from knowing one’s legal rights to understanding the importance of suffrage to the value of participating politically. To receive credit, students are required to have 100% of class attendance.
INSTRUCTOR: Genie Burke, Upper School Teacher, Greenhill School
SCHEDULE: June 22-July 10, 10:30 am-2:00 pm, (3-week class)  
COST: $750

GRAPHIC ART
GRADES 9-12  WEEKS 2-4
This course teaches the Python Programming language, which is used by professional programmers. Students will learn both general computer science concepts and Python-specific syntax. Students will use their new knowledge to create interactive games such as Hangman and Word Guess.
INSTRUCTORS: Rex Programming
SCHEDULE: June 29-July 3, 12:30 pm-3:30 pm
COST: $205

HARRY POTTER FOR MIDDLE SCHOOL
GRADES 5-9  WEEKS 2-3, 4-5
Imagine yourself under an invisibility cloak playing hide and seek at camp—and the rest of the campers have a Marauder’s Map! Come to Platform 9¾ and take the Hogwarts’ Express to Summer on the Hill’s most enchanting camp. For two amazing, “muggle-free” weeks, you will discover “The Hogwarts’ Way.” Snack on a handful of Bertie Bott’s Every Flavor Beans as you design your own wand and work robe. INSTRUCTOR: Blake Harkey, Greenhill School
SCHEDULE: June 1-12, June 15-26, 9:00 am–3:00 pm
COST: $660 (2-week camp)

INTERMEDIATE OR ADVANCED PHOTOGRAPHY – FOR CREDIT
FOR CREDIT: COURSE 6105 OR 6110
GRADES 9-12  WEEKS 2-4
Intermediate & Advanced is an exploration into digital photography as an artistic expression utilizing the programs Photoshop and Nik Software. Intermediate assignments explore creative ways to solve problems in the
digital darkroom and challenge the artist both creatively and technically. An introduction to studio lighting and creative control of exposure enhances the technical prowess of the artist. Advanced assignments include proposing and supporting an artist statement that is sustained throughout the latter half of the semester. Peer critiques, evaluations and weekly online artist postings are conducted throughout the course.

**INSTRUCTOR:** Frank Lopez, Greenhill School  
**SCHEDULE:** June 1-19, 9:00 am-12:00 pm (3-week class)  
**COST:** $750; **SUPPLIES FEE:** $20 and a digital DSLR camera

**INTRO TO COMPUTER SCIENCE: ENGINEERING I – FOR CREDIT (FOR CREDIT: COURSE 9110)**  
**GRADES 9-12**  
**WEEKS 2-4**  
This course will introduce the basics of electronics and programming. Students will work with the Arduino prototyping environment as an introduction to electrical and electronic engineering using C. They will be documenting all their progress in an Engineering Electronic Journal. To receive credit, students are required to have 100% of class attendance.

**INSTRUCTOR:** Maria Suarez, Greenhill School  
**SCHEDULE:** June 1-19, 8:30 am-12:00 pm, 12:30 pm–4:00 pm, (3-week class)  
**COST:** $750

**IOT (INTERNET OF THINGS): ECO-CHALLENGE**  
**GRADES 5-9**  
**WEEKS 6, 7**  
In this IoT Eco-Challenge camp students will design, build, and program eco-friendly automated devices. The Internet of Things (IoT) is the network of physical devices, home appliances, and other items embedded with electronics, software, sensors, actuators, and network connectivity which enables these objects to connect and exchange data. Using various IoT technology, we will build temperature sensing weather stations and water-conservation systems for gardens. Students will also explore how the data collected from such systems can be used to design systems that conserve key resources such as water and electricity. Core concepts in both machine learning and computer programming will be taught.

**INSTRUCTORS:** Rex Programming  
**SCHEDULE:** June 29-July 3, 9:00 am-12:00 pm; July 6-10, 12:30 pm–4:30 pm  
**COST:** $250

**IOT (INTERNET OF THINGS): HOME AUTOMATION**  
**GRADES 5-9**  
**WEEK 9**  
In this IoT Home Automation camp students will learn the science and computer programming that runs our ever-connected world. The Internet of Things (IoT) is the network of physical devices, home appliances, and other items embedded with electronics, software, sensors, actuators, and network connectivity which enables these objects to connect and exchange data. Students will create their own versions of some of the common home automation such as motion detecting cameras and lights that can be programmed to "dance" to music. Core concepts in both machine learning and computer programming will be taught as students both build and program their home automation devices.

**INSTRUCTORS:** Rex Programming  
**SCHEDULE:** July 20-24, 9:00 am-12:00 pm  
**COST:** $250

**LIFESAVERS 101**  
**GRADES 5–9**  
**WEEK 3**  
It’s important to be prepared and have the necessary skills and knowledge you need for the unexpected emergency that may arise. Join Nurse Trimmer to learn how to assess a situation, create a plan, and appropriately respond to and manage emergencies. You’ll learn basic principles in first aid, Friends and Family CPR and how to be a good friend to kids with food allergies through the Be a Pal: Protect A Life from Food Allergies education program. One way we’ll learn is by acting out realistic case-based scenarios in small groups. We’ll also visit the Greenhill pool to review pool safety. At the end of the week, students will receive an American Heart Association participation card for Friends and Family CPR or Heartsaver CPR and First Aid certification.

**INSTRUCTOR:** Katie Trimmer, Greenhill School  
**SCHEDULE:** June 8-12, 12:30 pm-3:30 pm  
**COST:** $190

**MATHEMATICAL DECISION MAKING (PROBLEM SOLVING)**  
**GRADES 10–12**  
**WEEKS 2-3**  
Ranging from Airlines and Hotels to Broadway shows, organizations use mathematical tools to enhance their business decisions. Mathematical Decision Making is a course that exposes students to various applications of mathematics in the real world. It is of great value to students interested in pursuing studies in mathematics, business, or finance. It encompasses a wide range of problem-solving techniques including linear programming, Simplex method, network models, optimal investment strategies, scheduling, optimization using Excel, and more. To receive credit, Upper School students are required to have 100% of class attendance.  
Prerequisite: Geometry and Algebra II.

**INSTRUCTOR:** Youssef Oumanar, Greenhill School  
**SCHEDULE:** June 1-12, 9:00 am–2:15 pm, (2-week class)  
**COST:** $750

**MODEL UNITED NATIONS**  
**GRADES 6-9**  
**WEEK 5**  
Model United Nation’s Camp is led by Greenhill’s Model UN Club advisor and current study body co-presidents. This camp will be a fun role-playing experience as students tackle the pressing challenges facing world leaders today. Campers will have the opportunity to debate, draft legislation, and dive into current event issues. All the while, campers will grow in their public speaking, research, and writing skills.

**INSTRUCTOR:** Matthew Giorgio, Greenhill School  
**SCHEDULE:** June 22-26, 9:00 am-12:00 pm  
**COST:** $190

**PRE-GEOMETRY AND PRE-ALGEBRA II SKILLS**  
**GRADES 9–10**  
**WEEK 11**  
Are you taking Geometry or Algebra II next year? The Greenhill math program assumes that in Algebra I you have gained knowledge of the following algebraic concepts: factoring quadratics, simplifying radicals, and solving systems of equations using several different methods. If you do not feel confident in these, or other algebraic concepts, this is the course for you! Start your Upper School math career with strong algebraic foundations, by taking this course! This course is only available for Greenhill students.

**INSTRUCTOR:** TBD, Greenhill School  
**SCHEDULE:** August 3-7, 12:00 pm-3:00 pm  
**COST:** $190
SHARK TANK
GRADES 5-9

Think of it as Shark Tank for Kids, but with friends! This creative and exciting KidPreneur Camp is just the place for campers to learn what it will take to start their own business. Students may come with an idea or concept in mind or select from a list of kid friendly business ideas to learn about conducting a market analysis, supply & demand, investors and more. Campers will present their business plan and product/service to a panel of business owners for feedback. Depending on business products, campers may end the week with a KidPreneur sale benefitting a non-profit organization.

INSTRUCTOR: Cheryl Rischer, Dallas Community College

SCHEDULE: July 20-24, 9:00 am–12:00 pm or 12:30 pm-3:30 pm

COST: $190

SUMMER PERFORMING ARTS ACADEMY
LEADING PLAYERS PROGRAM
GRADES 5-12

New this Year – SOTH’s Summer Performing Arts Academy. Be bold, be expressive! Greenhill’s Summer Performing Arts Academy (SPAA) presents the Leading Players Program. Under the oversight and direction of Terry Martin, Greenhill’s Head of Fine Arts and award-winning actor, director, and professional acting teacher our newly designed Summer Performing Arts Academy (SPPA) is a concentrated young actor training program open for pre-kindergarten through high school students. SPAA’s offers age-appropriate instruction focused on core acting and performing subjects which teach skills such as self-confidence, self-discipline, collaboration, and resilience. Each day, SPAA students rotate through a series of sessions including focused subjects such as Improvisation, Musical Theatre, Story Telling, Puppetry, Scene Study, Stage Movement, Dance and more. All SPAA classes focus on process, not product. By participating in SPAA, students gain confidence, boldness, and expressiveness. At the end of a class session, SPAA students share their work in an “open-class” style presentation for family and friends.

INSTRUCTORS: SPAA Instructors

SCHEDULE: July 13-24, 9:00 am-3:00 pm

COST: $625 (2-week camp)

TEEN RECREATION CAMP
GRADES 5–9

Don’t get bored in the lazy days of summer—come spend time with friends enjoying outdoor and indoor sports, arts and crafts, drawing and enjoy a few friendly board game competitions. We’ll field trips twice a week to popular recreational spots such as Jump Street, the bowling alley and the movies. This camp is the perfect way to spend your summer weeks. Teen Rec Camp is designed to provide a positive camp experience in a structured environment. Wear athletic shoes and bring a bathing suit and towel every day.

INSTRUCTOR: Jana Jeffrey, Parish School

SCHEDULE: June 15-19, June 22-26, July 13-17, July 27-31, 9:00 am-3:00 pm

COST: $335

TEEN RECREATION CAMP

GRADES 5-9

WEEK 9

Don’t get bored in the lazy days of summer—come spend time with friends enjoying outdoor and indoor sports, arts and crafts, drawing and enjoy a few friendly board game competitions. We’ll field trips twice a week to popular recreational spots such as Jump Street, the bowling alley and the movies. This camp is the perfect way to spend your summer weeks. Teen Rec Camp is designed to provide a positive camp experience in a structured environment. Wear athletic shoes and bring a bathing suit and towel every day.

INSTRUCTOR: Jana Jeffrey, Parish School

COST: $335

UPPER SCHOOL FOUNDATIONS
ENRICHMENT COURSE, NOT FOR CREDIT
GRADES 9-10

WEEKS 4, 10

Do you want to begin Upper School feeling more comfortable and confident? A weeklong course, Upper School Foundations provides an overview to incoming students by focusing on five crucial areas: the writing process, research paper composition, math/science applications, study skills, and acclimation to life in the high school. Students will spend four-and-a-half hours each day taking separate classes that will cover information, expectations, and suggestions geared towards easing their transition into Upper School. This course is limited to Greenhill students only.

INSTRUCTORS: Genie Burke, Andy Mercurio, Honelynn Parker, Michael Haskins, Greenhill School

SCHEDULE: June 15-19, July 27-31, 11:00 am-3:30 pm

COST: $295

VIDEO PRODUCTION - ENRICHMENT CLASS
GRADES 7-12

WEEKS 2, 3, 10

Join Mr. Doyle this summer on campus at Greenhill’s state of the art building, the Marshall Family Performance Center for a one of a kind film class. We’ll break into groups each week (materials can change between each group) to make short narrative films. We can make stop motion films, documentary films, comedies, dramas, and whatever your minds can create. Three of last summer’s films screened in film festivals. One film was screened at 5 festivals including South by Southwest, LA Cine Fest and the Oak Cliff Film Festival, another at the All-American Film Festival in New York and the Texas Union Film Festival at UT, and the last one at the All-American Film Festival in New York. The mood was exceptional last year. One class

TENNIS AND RECREATIONAL SWIM
AGES 6–18

WEEKS 1-11

Tennis and Rec Swim Camps are a fun way to enjoy a good workout on the tennis court followed by a cool swim. Tennis camps are designed to develop a strong foundation through stroke production, engaging drills and point play. The Greenhill camps incorporate the use of red balls, orange balls and shorter courts for kids that are 10 and under and full court yellow balls for more advanced and older players. The Greenhill staff is a group of experienced professionals that incorporate a philosophy of fun with learning to make the program enjoyable. The day will consist of two hours of on-court instruction where we will focus on fundamentals and technique, followed by recreational swimming and lunch. After lunch, there will be another two-hour session of tennis where we will work on strategy and point play. Required equipment: tennis racket, hat, sunscreen, lunch, and swimsuit.

COACHES: Jeff Ewing, Director of Tennis, USPTA, Greenhill School

SCHEDULE AND COST: May 26-29 (closed May 25), 9:00 am-12:00 pm, $190 or 9:00 am-3:00 pm, $265; June 29-July 3, 9:00 am-12:00 pm, $190; June 1-5, June 8-12, June 15-19, 9:00 am-12:00 pm, $195 or 9:00 am-3:00 pm, $330; June 22-26, and weekly from July 8-August 9, 9:00 am–12:00 pm, $195

TOTAL TENNIS: DRILLS AND MATCH PLAY
AGES 10–18

WEEKS 1-11

Total Tennis is a year-round training program designed for players entering ZAT, Junior team tennis, Middle school/High school team, Champs and Super Champ level players. The weekly camps are divided into drills and match play sessions. The drilling sessions will focus on the technical/tactical aspects of the game. Match play sessions will incorporate tactical, mental/emotional and physical fitness. We utilize a favorable ratio of instructor to students.

COACHES: Jeff Ewing, Director of Tennis, USPTA, Greenhill School

SCHEDULE AND COST: May 26-29 (closed May 25), 9:00 am-12:00 pm, $160, June 1-5, June 8-12, June 15-19, June 22-26, June 29–July 3, July 6-10, July 13-17, July 20-24, July 27-31, August 3-7, 9:00 am–12:00 pm, $195

SPAA students share their work in an “open-class” style presentation for family and friends.
made a comedy, live action film and the next week they made a beautiful, dramatic stop motion film. Many of you will want to enroll in both classes to receive Upper School course credit. Spots are limited so sign-up now!

INSTRUCTOR: Corbin Doyle, Greenhill School

SCHEDULE: June 1-5, June 8-12, July 27-31, 9:00 am–3:00 pm

COST: $550

VIDEO PRODUCTION – FOR CREDIT
(FOR CREDIT: COURSE 6800)

GRADES 7-12 WEEKS 2-3

Join Mr. Doyle this summer on campus at Greenhill’s state of the art building, the Marshall Family Performance Center for a one of a kind film class. We’ll break into groups each week (materials can change between each group) to make short narrative films. We can make stop motion films, documentary films, comedies, dramas, and whatever your minds can create. Three of last summer’s films screened in film festivals. COST: $1,100

WEB DESIGN FOR UPPER SCHOOLERS

GRADES 8-12 WEEK 5

Ever wondered how web pages were built? Come join our web design camp and learn some HTML. HyperText Markup Language, commonly referred to as HTML, is the standard language used to create web pages. Web browsers can read HTML files and compose them into web pages. Our goal with this camp is to get students to interact on a hands-on level with the technology that they use every day. Students learn HTML commands and syntax as they make and show-off their own webpage.

INSTRUCTORS: Rex Programming

SCHEDULE: June 22-26, 12:30 pm–3:30 pm

COST: $205

VOLLEYBALL FOR ADVANCED GIRLS

GRADES 7–12 WEEK 9

This camp is designed for setters, outside hitters, and middle blockers. Position stations will be combined with advanced setter/hitter drills and competitive team play. Valuable written player evaluations, individual awards, and special guest instructors are also part of this high-intensity package. Required equipment: kneepads.

COACH: Tatiane Deibert, Greenhill School

SCHEDULE: July 20-24, 9:00 am–12:00 pm

COST: $190

WELLNESS – FOR CREDIT
(FOR CREDIT: COURSE 117040)

GRADES 10-11 WEEKS 4-5, 6-7, 9-10, 11-12

Drawing upon neuroscience and experiential activities, students will learn the keys to wellness. By exploring new practices, students can directly impact brain development and form a deeper understanding of their own life stories. Students will participate in discussions and activities throughout the course that address: mindfulness, compassion, calm, connection, gratitude, resilience, learning, vitality, intimacy, inclusion, advocacy and purpose. UT Southwestern will work with students in the class; parent permission is required (information to follow confirmation of registration). Greenhill students entering Grades 9–10 may take this course to fulfill the Upper School graduation requirement for Wellness, subject to Upper School approval. To receive credit, students are required to have 100% class attendance; students are not able to take portions of different courses or attend sessions in a different section under any circumstance. Additional options are available next summer and during all three trimesters during your 9th and 10th grade academic years. Athletes: Two-a-day practices will be held August 5-9. Practices will not interfere with the August class.

INSTRUCTORS: Amanda Frederick, Shanti Majefski, Greenhill School

SCHEDULE: June 15-25, June 29-July 9, July 20-30 (Monday-Thursday only), August 3-12 (this class will meet August 3-7 and August 10-12), 9:00 am-12:00 pm

NOTE: In addition, each student will have 1 hour of Canvas work during assigned class days that is required for the course; please plan accordingly.

COST: $410 (2-week class)

XTREME ADVENTURE CAMP

GRADES 6–9 WEEKS 2, 3, 4, 5, 6, 7, 8, 9

Do you enjoy watching TV shows like Wipe Out, Fear Factor, Survivor, and Ninja Warrior? Then get yourself psyched for some Xtreme fun! You’ll find out the true meaning of teamwork as you compete in some of the craziest challenges you can imagine. Besides some outrageous games, you will also battle other teams in Bowl Tag, participate in coconut tree climbing, enjoy milk crate stacking, ride indoor zip lines, bounce on a giant boxing arena and an enormous Jumping Pillow, and have a crazy glow-in-the-dark dodgeball tournament. We’ll travel to the Group Dynamix location on Tuesday, Wednesday and Friday. Don’t miss this week of true Xtreme Adventure.

INSTRUCTORS: Caleb Collins and Group Dynamix Coaches, Group Dynamix

SCHEDULE: June 1-5, June 8-12, June 15-19, June 22-26, June 29-July 3, July 8-12, July 13-17, July 20-24, 9:00 am–3:00 pm

COST: $365
