CAMPS & CLASSES

Greenhill School
Summer on the Hill
## PRESCHOOL AND LOWER SCHOOL CAMPS AND CLASSES - AGE 3 THROUGH GRADE 4

### 2D DIGITAL ART
**GRADES 4-8**
**WEEKS 4, 7**
In this camp, students will create 2D Graphics and Animations using Gimp Software. Students will use the tools available in Gimp to make their own characters, objects, backgrounds, and components for future or current games. Students will get the opportunity to make their own art using gimp through different hands-on activities, projects, and tasks set by the teacher. Students will practice creating their own unique components as well as editing created graphics to learn how to customize or create the art they want. You don't have to be born an artist to make art with Gimp. Students are strongly encouraged to bring a laptop to camp each day.

**AGES 3-4**
**WEEK 7**
**AGE 4**
**GRADES K**
**WEEKS 8, 9**
Do you want to learn your ABC’s or get better at spelling? ABC Animal Camp can be an exciting way to make letters and words come to life! The camp engages our campers through inquiry based and multi-sensory learning, and helps campers become empowered in their learning. Campers will discover the alphabet in everyday life! An alphabet scavenger hunt, building an alphabet fort, scenario-based skills will help our campers gain critical thinking skills. Our first day begins with a stuff-n-fluff activity by hand stuffing a new friend that can help campers in their learning. Making alphabet s’mores and trail mix, campers will sit around the campfire, engaging in games, storytelling, songs and team building. Stuffing one more special friend brings our adventurous alphabet journey to a close.

**COST:** $205

### ARTIFICIAL INTELLIGENCE 2

**GRADES 4-8**

**WEEK 10**

In this camp on artificial intelligence, students will build and program actual working examples of artificial intelligence processes and software. They also explore the ethical and philosophical implications of AI. The goal of this camp is to gain practical experience with AI technology and gain a greater understanding of its role in today’s society and also in the future. Students are strongly encouraged to bring a laptop to camp each day.

**INSTRUCTORS:** Rex Programming

**SCHEDULE:** July 27-31, 12:30 pm-3:30 pm

**COST:** $205

### ARTIST DISCOVERY

**GRADES 1-3**

**WEEKS 6, 7**

Do you love art? We will study famous artists like van Gogh, Monet, and Picasso, just to name a few. During this camp, you will learn about the lives of these master artists and their art. You will then create your own art pieces that are inspired by the artworks you have studied. By the end of this camp, you will have several masterpieces of your own!

### ARTSY ANIMALS

**GRADES PK-1**

**WEEKS 4, 9**

Artsy Animals is a fun and unique workshop filled with activities to teach children about arts and crafts and have fun doing it! The camp begins with a stuff n fluff activity of hand stuffing a new furry friend, who will help them create their art! Books about art and animals will be focal points in the camp and the campers will make art/arts that relate to the book of the day. They will also watch videos and various forms of media that bring light to animals and art. Finger painting, shaping clay, designing pictures using Shape Art, fun colors and designs will show them how to create their ideas with just a few supplies. As our artsy journey comes to a close, campers will enjoy their last day, stuffing one more special friend and making a tie dye t-shirt for their friend.

**INSTRUCTORS:** Trish Lopez, ClubZ Tutoring Services

**SCHEDULE:** June 15-19, 9:00 am-12:00 pm, July 20-24, 12:30-3:30 pm

**COST:** $205

### BASKETBALL

**GRADES 1-4**

**WEEKS 2, 5, 8**

Our Basketball Camp is based on a few simple philosophies. We believe athletes should enjoy a lot of game play—each camper has three league games per day. Students need to have a basketball in their hands frequently—our campers have two sessions of ball handling and dribble-move work daily. Campers will receive focused daily instruction on two major fundamentals, rather than scratching the surface with multiple fundamentals, to create more positive results. In addition to game play, our campers participate in an individual skills contest and in a weeklong team skills competition.

**COACH:** Joey Sims, Greenhill School

**SCHEDULE:** June 1-5, June 22-26, July 13-17, 9:00 am–3:00 pm

### BIG THINKERS EXPLORATION

**GRADES 4-5**

**WEEK 3**

In this class, we’ll have fun learning to design and produce projects that combine different elements of STEAM. Through guided inquiry, we will come up with thoughtful questions, discover and discuss answers, apply what we learn, and problem solve. In addition, we’ll learn about the phenomena in the natural and physical world. This will build confidence in your ability to generate and understand concepts. You’ll participate in fun activities with peers, using scientific language and tools.

**INSTRUCTOR:** Rima Zachariah, Greenhill School

**SCHEDULE:** June 8-12, 9:00 am-12:00 pm

**COST:** $190

### BIKING AND RECREATIONAL SWIMMING – ALL SKILL LEVELS

**GRADES 1-8**

**WEEKS 1-11**

Ready to improve your biking skills? Beginner or intermediate cyclists are welcome. We’ll divide campers into appropriate groups depending on your skill level. This camp will teach you new skills above your current level as we ride on paths around Greenhill’s 78-acre campus and Addison trails in the surrounding area. Each day we’ll take time to cool off and have fun in our indoor pool. Flotation belts will be provided for students unable to swim the 25 yards. We’ll work to improve our stopping, turning, braking, balance, and riding skills. Campers will need a bike and helmet, swimsuit, swim cap, goggles and a towel. Bikes will be locked each day and stored on campus. We encourage beginner campers to come without training wheels. Please pack a snack and a refillable water bottle.

**COACHES:** Amanda Clarke and Experienced Instructors, Greenhill School
There is no crying, sweating or P.E uniforms in Brain Sports! Instead, there are questions, puzzles, problem solving, movement, laughter, fun, music and lots more to get your summer brain to engage in calisthenics, competition and cognitive exercise! There is also a mystery to be solved and all must be involved. Not sure if your brain is ready? Answer this: I start with an "e", I end with an "e", but I usually contain only one letter? What am I? Join the team on an outing or an escape, as we crack the code and follow the clue the only thing is missing is your brain and you.

INSTRUCTOR: Cheryl Rischer, Dallas Community College District

SOCIAL SKILLS, SPORTSMANSHIP AND SCHOOL READINESS
AGE 4-GRAGE 1 WEEKS 5, 6
Join Kindergarten teacher Mrs. Field for an action-packed week of social skills, sportsmanship and school readiness! In this unique camp, we will primarily focus on positive social interactions, basic manners, approaching new friends, and basic social skills in a fun way. We will use specifically designed read-alouds, fun puppets, and games to practice these skills. In addition, we will participate in exciting inside and outside games to practice healthy sportsmanship, patience, sharing, and reciprocity in partnerships. Enhancing your child’s ability to work and play in a group environment will be an important focus, too. Our school-readiness component will focus on listening to others’ words (teachers and peers), using our own words (NOT hands) when we get upset, tactics for conflict resolution, following directions, transitioning to activities and tasks in a positive/timely manner, etc. We know your child will be even more ready for school after a week of hands-on practice in an authentic and fun way!
INSTRUCTOR: Jessica Field, Greenhill School
SCHEDULE: June 22-26, June 29-July 3, 9:00 am–12:00 pm or 12:30 pm–3:30 pm

**TEXAS BLUEBONNET BOOK BONANZA!**

**GRADES 3-5 WEEK 6**

The Texas Bluebonnet Program is a program that encourages reading for pleasure and is aimed at students in grades 3-6. Each year, 20 books are chosen as the “Texas Bluebonnet Award Master List” by the selection committee. In January, students who have read 5 books from the list vote for their favorite title. The author of the book receiving the most votes wins the Texas Bluebonnet Award. Participants will read and explore various books from the current Texas Bluebonnet booklet. They will have opportunities to complete activities that correlate with the books, view book trailers and author book talks, perform Reader’s Theatre and more! By the end of the week participants will have read the required number of books so they will be ready to vote for their favorite in January.

WRITING AND CREATIVE EXPRESSION
GRADES 1-3  WEEKS 7, 8, 9
Students will use their imagination to write in a variety of ways. Amongst the activities, students will create comics, poems, and short stories. They will be encouraged to create written content for the enjoyment of other readers and to express themselves in a confident manner. At the end of the course, students will have a portfolio of written work to be proud of! The perfect course for the budding author.

WRITING ROCKS
GRADES 1-3  WEEK 3
Is your child holding his or her pencil, markers, or crayons correctly? Does your child need more experiences with tactile media such as playing with putty and moon sand (moldable sand)? Writing Rocks is a creative and fun handwriting camp for rising Pre-k and Kindergarteners. This camp is designed to help your child build classroom confidence through fine motor strength and endurance. Camp activities are developmentally appropriate to promote pre-writing and writing skills. This is the age to learn!
INSTRUCTOR: Robin C. Ables, OTR, M.Ed.

YOGA & ART, GREENHILL STYLE
GRADES 1-3  WEEK 2
GRADES 4-8  WEEK 2
Yoga Camp: Greenhill Style is designed to help each practitioner understand the direct relationship to health and exercise through the whole body and mind, while collectively zoning in on their artistic side. This beginner class will establish a solid foundation for the practice of yoga and instill confidence through artistic practice. Children will practice physical poses (asanas) and meditative movement, and then later take that focus obtained through yoga and apply it to their art. We will practice yoga salutations in order to increase heart rate and then cool down through gentle counter balancing stretches to build strength and flexibility. Students are then able to express themselves creatively through art. This class will aim to promote inner calm and focus while providing a safe haven to relax and have fun!
INSTRUCTOR: Valerie Gillespie, Greenhill School
SCHEDULE: Grades 4-8: June 1-5, 9:00 am-12:00 pm; Grades 1-3: June 1-5, 12:30 pm-3:30 pm

YOUTH SOCCER
GRADES 1–4  WEEK 1
Ready to learn the basics of soccer or enhance your soccer skills? In this all-day soccer camp, we’ll spend time on the fields in the morning working on technical skills, offensive and defensive tactics, and game play. Throughout the week, we’ll focus on speed moves, attack, finishing, receiving, passing, ball control and much more. In the afternoon, we’ll have classroom lessons, watch film, and cool off in our indoor pool or in the sprinklers with water games. This is a fun and healthy learning environment for both girls, and boys of all levels and age ranges. Required equipment: indoor athletic shoes, soccer cleats, shin guards, sunscreen, swimsuit, and towel.
