### ***SPECIAL THANKS TO:***

Brad Gioia, Tim Boyd, Fran Stewart and Cal Fuller for their ongoing support of a thriving music program. We would like to thank the Mothers Club for their tireless support of our program, especially during these unprecedented times.

Many of the students in this recital are recipients of the Wilson Grant that is offered to 9<sup>th</sup>-11<sup>th</sup> graders for summer study opportunities. Thanks to the visionary gift of David K. (Pat) Wilson, hundreds of MBA students have been afforded grants to further their studies throughout the United States and abroad. These awards provide challenge and reward for exceptional MBA students to travel the globe, strengthen their academic skills, and compete and participate in some of the best programs in the world. Pat Wilson firmly believed in rewarding excellence and the importance of experiences beyond the confines of a classroom. These grants help to fulfill his vision and demonstrate his wisdom and generosity. He believed deserving individuals should always have opportunities — to learn and to excel in their given areas of interest and excellence, and to take great strides to develop themselves personally and intellectually. MBA students have the good fortune to benefit from up to \$10,000 annually in travel grant opportunities — an incredible benefit to their MBA experience and education.
