MBA Textbook Ordering, 2022-23

It is almost time to order Lucky's textbooks for the 2022-23 school year. The MBA Virtual Bookstore will go live on Wednesday, July 20, 7:30am. We ask that all textbooks be ordered by August 3 to ensure delivery prior to classes beginning on August 17. Please click here for general information.

Again this year, there will be two options:

- **Rental Bundle**: The rental bundle option will automatically ship all of the books associated with the student’s schedule, regardless of how many. If a student switches a class, the new required book will automatically ship out to the student, along with a return label for the book(s) that are no longer needed.
  - The High School rental bundle is $460.
  - The Junior School rental bundle is $250.
  - Please click here for more information on rental bundles.

- **Shop By Course**: You may purchase outright new and/or used books. Please click here for more information on shopping by schedule.

Regardless of the purchasing option that you decide is right for your family, eCAMPUS offers free shipping on all orders.
