Get Connected – Introducing Westminster School’s Alumnifire networking platform

Westminster School is excited to launch Alumnifire, a new networking platform that will help alumni open doors for one another. The community is powered by Westminster Alumni and can help you to:

- Build your professional network
- Search and post job opportunities
- Share your industry experience
- Gain knowledge in a new city
- Reconnect with classmates

What is Alumnifire?

Alumnifire is an online professional networking community. Within this community alumni can discover one another and interact based on their interests, needs and strong shared affinity for Westminster School. This platform also provides a new way for alumni to give back. Alumni can choose how often they wish to volunteer their time and exactly how they want to be helpful (e.g. informational interviews, resume review, welcoming fellow alumni to a new city). Members can contact each other directly, view discussions, browse job listings and companies, share advice and more.

How do I sign up?

You can sign up via LinkedIn, Facebook or email and setting up your profile takes less than 5 minutes.

You can join here: Westminster-school.alumnifire.com

The Westminster School alumni network has incredible value and its potential only increases through alumni engagement.
