PORTRAIT OF A TEACHER

A Collegiate Teacher

Builds strong relationships with students, colleagues and parents by creating a caring and inclusive community in which all members are respected and valued.

Develops learner-centered opportunities that help students develop into inquisitive thinkers, responsible citizens and compassionate leaders.

Collaborates with colleagues to design and implement a challenging, relevant and connected curriculum.

Upholds high expectations for all students and strives to meet the individual needs of each learner.

Implements evidence-based teaching and learning practices and designs a full range of meaningful assessments in which students are regularly asked to demonstrate understanding.

Explores and integrates a range of resources, including technology, to engage, enhance and extend learning goals.

Understands the role of social, emotional and physical well-being in the teaching and learning process and encourages the development of lifelong healthy behavior patterns.

Exhibits the characteristics of a lifelong learner and engages in personal and professional development to impact student learning.

Models the enduring skills, values and habits of mind represented in the Portrait of a Graduate.
