DAY CAMP EXPERIENCE FOR KIDS WITH ADHD

SUMMER TREATMENT PROGRAM

Currey Ingram Academy • June 8-26 & July 6-24, 2020
CALLING ALL HAPPY CAMPERS!

One of only 15 in the country, the ADHD Summer Treatment Program (STP) at Currey Ingram Academy is an intensive six-week program for students ages 8 to 12 with ADHD. Each day includes outdoor play and games, social skills work, academic time, and more. Parents are also required to attend a weekly parent meeting that will provide tangible and transformative information as to how they can best support their child. Inquire and enroll today - space is limited!

WHAT SKILLS ARE TARGETED AT CAMP?

- Self-regulation
- Task Initiation
- Self-advocacy
- Motor skill development
- Work completion
- Active listening
- Social skills
- Awareness
