

**Beth Tfiloh Sisterhood Presents:  
MADE IN ISRAEL—Why BDS is a Bad Idea**

**Tuesday, September 20, 2016 at 7:00 PM  
Tuviv Assembly Hall**

Sisterhood cordially invites you to a captivating program featuring a documentary exploring the roots of Israeli innovation in areas such as agriculture, medicine and technology. The State of Israel is roughly the size of New Jersey, and yet it has the largest number of start-up companies per capita in the world. Israel also has more companies listed on the NASDAQ Exchange than all of Europe.

Find out from our Israeli Shaliach, Haggai Lavie why Boycott Divestment and Sanctions (BDS) could be self-defeating even for those who advocate for it.

Q&A and a wine and cheese reception will follow.

*\*\*Guests are cordially welcome\*\**
