It was a year filled with anticipation, as if we were turning the page on a new chapter in Cannon’s history—one that each of us would have a hand in writing.
Turning the Page on a New Chapter

While it is true that each new school year is singular, characterized by its own unique cadence, challenges, and victories—the 2018-2019 school year was one for the history books.

Our school community bade a fond farewell to Matthew Gossage after his thirteen years of transformational leadership as our Head of School. At the same time, we began looking ahead to Cannon's 50th anniversary and welcoming Christopher Jones as our seventh Head of School.

It was a year filled with anticipation, as if we were turning the page on a new chapter in Cannon's history—one that each of us would have a hand in writing. If Cannon's history has taught us anything, I believe it is that we are continuously inventing our future together. On a daily basis, spurred on by our shared mission, caring relationships, and bold ideas, we create the future that we have the courage to imagine.

Last year, our school community made several goals into realities. Middle School and Upper School students found new ways to learn, explore and grow in The Middle School Addition and The Mill. Construction began on The Hill Grimmert Multipurpose Athletic Center, which is now serving as an exciting new resource for a range of students and athletes. The Cannon Fund grew to its highest level in three years, and we were thankful for support from twenty-six corporate partners. As you will read in the coming pages, The Matthew E. Gossage Endowment was established to provide a need-based tuition award to one student on an annual basis.

As always, dedicated volunteers ensured our success in 2018-2019. I extend special thanks to the Advancement Committee led by Joan Ankrom, and the Cannon Fund Parent Liaisons led by Alice and Benton Bragg and Maryanna and Jon Ter Poorten. Our school community remains grateful for the ongoing support of our PAC Groups led by Michelle Balsbough, Holli Delaney, Brink Jones, and Nichole Majors. And we remain proud when the members of the Alumni Board, led by Isabelle Powell ’08, return to serve their alma mater.

I would be remiss if I did not thank Cannon's Advancement Office team, Lynda Abel, David Ibsen, Beth Levanti, Amy Reiss, Robin Riemersma, and Sydney Ross, for their tireless work fundraising, marketing, communicating, and engaging to move so many of our objectives forward.

I hope you will spend a few minutes looking through this report as you will see countless examples of our leadership, faculty, staff, parents, students, alumni, and friends who are bringing Cannon's story to life, now and for the years to come.

Sincerely,

Todd W. Hartung, Jr.
Director of Advancement

Thank You for Raising Your Hands!

In 2018-2019, the Cannon School community helped grow the Cannon Fund to its highest level in three years! Using the theme, Raise Your Hand for the Cannon Fund, we asked families, faculty and staff, our board, alumni, alumni parents, and grandparents if they would continue supporting our most critical annual fundraising effort.

Together as a community, we raised $519,571 from 656 donors. Your support of the Cannon Fund helps enhance opportunities throughout the school, whether in the classroom, on the stage or athletic field, as well as provide professional development opportunities for our amazing faculty and staff.

The Parent Liaison team, led by our Co-Chairs Alice and Benton Bragg and Maryanna and Jon Ter Poorten, worked tirelessly through their dedicated leadership. Each member of the team spent their time to communicate to other families to help them understand the importance of giving beyond tuition. This year, we had tremendous support from those who have given for many years, as well as those who made their first gift to the Cannon Fund.

Thank you so much to all who gave back to Cannon School. As we celebrate our 50th anniversary, I am excited to look towards another successful year in 2019-2020.

Sincerely,

David Ibsen
Director of Development and Annual Giving

RAISE YOUR HANDS: BY THE NUMBERS

656 DONORS $519,571 RAISED 13 PARENT LIAISON VOLUNTEERS

COUNTLESS THANKS!
Your Cannon Fund Dollars at Work All Around Us

Every year, we ask families and friends to make the Cannon Fund their first giving priority because it benefits all aspects of campus life and becomes part of the school’s operating budget. Here are just a few examples of how your Cannon Fund dollars were utilized in 2018-2019:

INSIDE THE CLASSROOM
The Cannon Fund provided new laser cutters in The Mill, interactive SMART boards, flexible classroom furniture, textbooks, iPads and laptops for students and faculty, and band instruments.

OUTSIDE THE CLASSROOM
The Cannon Fund afforded student financial aid, professional development opportunities for faculty and staff, stipends for coaches, and new buses.

AROUND CAMPUS
The Cannon Fund improved campus with new playground equipment, updated lighting in CPAC, and additional security cameras.
Those who gave in 2018-2019 at the $1,000 level and above are recognized as members of the Cannon Society. Cannon Society names are designated in bold typeface.

Loyal donors are the cornerstone of Cannon School’s success, providing the means by which Cannon can carry out its mission. The Consecutive Giving Society was created to honor Cannon School’s most loyal families, alumni, faculty, staff, and friends. Names of those who have given for five or more years consecutively are designated with an asterisk.

The College Counseling team wanted to make a gift in honor of every member of the Class of 2019. We hope our newest graduates understand that this gift serves as a symbol of what it means to be a Cannon School alum by acknowledging their contributions to our school community and challenging them to give back to Cannon in the future. I am glad that each of them will be recognized as donors as we celebrate what Cannon has given them and what they are bringing into the world.

Cannon School Golf Tournament
Save the date for Friday, March 27, 2020
at Cabarrus Country Club, Concord, NC
One year after their completion, the Middle School Addition and The Mill @ Cannon School still get students excited about imagining tomorrow.
Cannon School extends its deepest gratitude to the 194 families, friends, alumni, faculty, and staff, who from 2016 to 2017, raised more than $3.8 million for the Imagine Tomorrow Campaign. Together, these donors created new opportunities for Cannon students with the new Middle School Addition, dedicated classrooms for the Lower School World Language Program and the After School Program, and the new Upper School technology space—The Mill @ Cannon School.

The Matthew E. Gossage Endowment

The Cannon School community is profoundly grateful to Matthew Gossage for inspiring us for thirteen years as our sixth Head of School. During the 2018-2019 school year, we celebrated Matt’s leadership and planned for tangible reminders of his legacy.

A portrait of Matt was hung in Cannon’s Upper School, which was also named the Matthew and Linda Gossage Building. At Cannon School’s 50th Anniversary Gala on May 4, 2019, it was revealed that a group of founding donors had established The Matthew E. Gossage Endowment.

This endowed scholarship honors Matt for inspiring our entire school community with his soaring vision, his relentless pursuit of progress, and his courage in leading by example. The Matthew E. Gossage Endowment will enable Cannon School to provide annually a fully funded, need based tuition award to one student.
THANK YOU TO THE 63 DONORS WHO HAVE CONTRIBUTED $531,775 TO THE MATTHEW E. GOSSAGE ENDOWMENT!

It is our hope that The Matthew E. Gossage Endowment will continue to grow, providing even more students with the incredible opportunity of a Cannon School education. If you wish to show your support, please visit www.cannonschool.org/gossage or contact Todd Hartung, Director of Advancement, at thartung@cannonschool.org or 704-721-7178.
The endowment at Cannon School builds the foundation for long-term stability and success, and is a critical source of income.

The endowment has steadily grown to a balance of $10,956,510 at the end of this past fiscal year. An individual or family may choose to establish a named fund that will support an area of the school that is most important to them and their family, support Cannon’s general endowment, or support an existing endowed fund. The principal from these funds is held in perpetuity and invested for long-term growth.

Gifts to the endowment will leave a legacy in which future generations of Cannon students, faculty, and families can enjoy the experience of a Cannon education. These funds enable Cannon to rely on more than revenue from the school to support needs such as:

- Providing financial aid for students
- Attracting and retaining dynamic faculty members
- Improving and enhancing educational, athletic, and artistic programs
- Enhancing the campus
- Supporting school operations

**GENERAL ENDOWMENT**

The general endowment provides the school with the financial flexibility to meet future challenges and take advantage of quality-enhancing opportunities that fall outside tuition and the operations budget.

**THE FRED AND OPAL BRYANT ENDOWED FUND**

The Fred and Opal Bryant Endowed Fund was established in 2016 and provides for the continued enhancement and beautification of the Cannon School campus landscape.

**THE MALMSTROM FAMILY ENDOWED FUND**

The Malmstrom Endowed Fund for Academic Excellence was established in 2016 by the Malmstrom family—Ivar, Susanne, Daniela ’14, Emily ’15, and Caroline ’16. The fund provides assistance to Cannon’s Academic Success and Learning Support Program developed by Upper School Learning Specialist Teresita Lloréns-Hurtado along with assistance from several Cannon School students, including Emily and Caroline Malmstrom.
MICHAEL GRAY, JR. MEMORIAL SCHOLARSHIP
The Michael Gray, Jr. Memorial Scholarship is an endowed scholarship fund for students who demonstrate strong character, academic dedication, and financial need.

SPEEDWAY CHILDREN’S CHARITIES ENDOWMENT FOR DIVERSITY
The Speedway Children’s Charities Endowment for Diversity funds special scholarships for excellent students who have financial need and supports multicultural programs aimed to increase diversity awareness in the school community.

LILES ENDOWMENT
The Liles Endowment was established in 2009 by George Liles, Jr. in memory of his father and long-time Cannon School supporter, Dr. George W. Liles.

THE MARIA DEHAAS ENDED FUND
The Maria DeHaas Endowed Fund was established in 2012 and provides professional development opportunities for counselors and an annual speaker series.

RICHARD H. SNYDER FUND
The Richard H. Snyder Fund empowers the school to make improvements that are not covered by tuition or the operating budget.

THE DR. JOHN G. SIROIS MEMORIAL FUND
The Dr. John G. Sirois Memorial Fund was established by Antoinette and Jean-Louis Alban Sirois, in memory of their son Dr. John G. Sirois, husband to Sheila McParlin and father of Rosemary Sirois ’10, David Sirois ’12, Juliana Sirois ’14, and James Sirois ’16. It provides a monetary award to an outstanding English student at Cannon each year.

EXCELLENCE FUND
The Excellence Fund was established by the Board of Trustees to enable the school to be responsive to unforeseen opportunities that might not be planned in the tuition-funded operating budget.

MATTHEW E. GOSSAGE ENDOWMENT FOR FACULTY DEVELOPMENT FROM THE CLASS OF 2019
This fund provides three faculty members, as voted on by Cannon students, funding for professional development and/or classroom needs. The fund was given by the Class of 2019 as a way to honor Cannon’s sixth Head of School, Mr. Matthew E. Gossage.

THE MATTHEW E. GOSSAGE ENDOWMENT
The Matthew E. Gossage Endowment was established in 2019 by friends and family of Mr. Gossage, Cannon’s Head of School from 2006-2019. This fund honors Mr. Gossage for inspiring our entire school community with his soaring vision, his relentless pursuit of progress, and his courage in leading by example. This endowed scholarship will enable Cannon School to provide annually a fully funded, need based tuition award to one student.

THE TAYLOR Denny Duke MEMORIAL ENONED FUND
The Taylor Denny Duke Memorial Endowed Fund was established in 2018, in memory of Taylor Duke ’09. The fund will provide assistance to Cannon School’s baseball program. The fund will underwrite the combined Middle School and Upper School annual family reception. Additionally, the fund will underwrite and offset the cost of equipment to families within the baseball program not covered by the school’s athletic program.

WE ARE GRATEFUL TO ALL WHO HAVE GENEROUSLY DONATED THIS YEAR

Parents at Cannon

Parents are the heart of our community and provide countless hours of their time and talents to create meaningful experiences and supportive programs at Cannon School. We thank the PAC leadership and members for their dedication to Cannon!

CANNON CONNECTIONS
Cannon Connections, led last year by Holli Delaney, aims to ensure that all Cannon parents feel welcome and involved. The group plans book fairs, the Shop and Share programs, the Father-Daughter Dance, Mother-Son Event, speakers, coffees, and more. Each event is planned with the purpose of enriching school life for every student, teacher, and family.

CANNON CULTURES
Cannon Cultures, headed this past year by Nichole Majors, is a parent committee devoted to serving and supporting students, teachers, and parents who believe diversity and multiculturalism are essential to the school. The group focuses on ensuring that our school is truly inclusive and values and respects all individuals, capturing their uniqueness, talents, skills, backgrounds, and abilities.

COUGAR CLUB
Cougar Club is our booster organization that supports the interscholastic athletic and physical education programs here at Cannon. From helping with concessions to providing finances for team equipment, infrastructure, and spirit events, the Cougar Club never fails to build fan enthusiasm. Many thanks to Brink Jones, last year’s president.

CANNON ADVOCATES FOR THE ARTS
CAFTA (Cannon Advocates For The Arts), led last year by Michelle Balsbough, supports our award-winning interactive and exploratory Fine Arts program. CAFTA helps with our Visual Arts Night, April arts events, concerts, and theater productions. The group also helps fund materials and equipment for our fine arts programs.
Cannon School’s Corporate Partnership Program is a mutually beneficial program that provides businesses the opportunity to spread their message while supporting the exceptional programs here at the school. Our partnering businesses have their logos prominently displayed on banners in the gymnasium and stadium, on the school’s website, and on sponsor signage at the school’s annual golf tournament. Proceeds from this partnership support the Cannon Fund and the Parents at Cannon (PAC) volunteer organizations and allow these groups to further support our students and faculty.

Building Bright Futures

Cannon School extends its deepest appreciation to the more than 400 families, friends, grandparents, alumni, faculty, and staff who from 2012-2014 raised more than $7.4 million for the Building Bright Futures Campaign. Together, these donors created new opportunities for Cannon’s artists, athletes, and scholars with major construction projects including the Cindric Performing Arts Center, Andrews Strength and Conditioning Center, the Randy Marion Family Field House, enhanced locker spaces and coaches’ offices, Bryant Central Green, and the Middle School expansion.

At the conclusion of the Building Bright Futures Campaign in 2014, Cannon’s Board of Trustees announced that the Upper School would be named in honor of Matthew Gossage for his leadership as our Head of School. Upon Matt’s retirement in 2019, the building was officially named the Matthew and Linda Gossage Building.

**Randy Marion Field**

Thank you to everyone who supported the Turf Field Project, which has benefited both our athletes and students. We especially would like to acknowledge Mr. Randy Marion, Sr., who gave a gift of $250,000 to help fund this project. The Randy Marion Field has been named in his honor.

Throughout 2019-2020, we will celebrate Cannon’s 50th anniversary with special events on campus and in our surrounding communities. Visit www.cannonschool.org/50, and plan to join in our yearlong celebration!
I imagine, that like me, you feel grateful while turning the pages of this report to reveal the names, faces, and accomplishments of so many people who enable Cannon School to deliver on our mission of learning and growth.

As I reflect on my own journey to Cannon, I already feel deeply connected to the courageous parents, students, faculty, staff, and volunteers who have set our school community apart for the last 50 years. And as many of you continue to share your families’ stories with me, I am energized by knowing, that in the Cannon community, we are all committed to the same purpose of putting learners first.

Because of the values-based leadership of so many, Cannon School exemplifies institutional stability; and I cherish the opportunity to serve and lead with you in this historic 50th year and beyond. Throughout 2019-2020, as we celebrate who we are and the impact Cannon School has had on thousands of lives, I encourage all of us—more than ever—to engage, give back, and grow together.

As we know from our history, and from our here and now, the Cannon community does its best for students when we show up, when we let ourselves be seen and known, and when we have the courage to lead in new and exciting directions. As we look boldly towards Cannon’s future together, I will seek your partnership in the pursuit to develop learners who contribute wholeheartedly to their families, our school, our communities, and our society.

We can be confident that giving of ourselves and living out our core values in this way will attract and serve future generations of Cannon students—ever more prepared to learn and lead in our changing world. Thank you for the vital role you play in building the bridge to Cannon’s future.

Sincerely,

G. Christopher Jones
Head of School
Thank you for the vital role you play in building the bridge to Cannon’s future.
