Investigate the World: Spain is a vibrant country that combines the spirit of its various rulers over the centuries, from the Phoenicians and Romans, to the Moors and Christians. Its rich history is complimented by an expansive landscape of mountains, deserts, and glorious beaches. From the Atlantic coast to the Straits of Gibraltar, the Kingdom of Morocco captures the hearts of all who visit with its colorful streets, elaborate Islamic tiles, vibrant medinas, flavorful cuisine and warmth of spirit.

**DAY 1  Thursday, 10 June 2021**

- Relax and enjoy our scheduled flight from Charlotte to Casablanca, Morocco.

**DAY 2  Friday, 11 June 2021**

- Our 24 hour Tour Director will meet us at the airport and remain with us until our final airport departure
- We will have use of a private coach and driver while touring for the next five days.
- Our accommodation for the next two nights will be in Marrakech. While here, we will enjoy breakfast at the hotel.
- During the course of our tour we will gain from the knowledge and insight of two half-day local guides while we are here in Morocco.
- Marrakech is a vibrant city of marvellous contrasts. From the narrow, and thus car-free, streets of the old walled city to the French colonial areas with their more spacious feel. Experience the glorious sights and sounds of the timeless souks and the circus atmosphere of the Djemaa el Fna. The, oft snow capped, High Atlas Mountains are clearly visible from many parts of the city with the promise that behind lies the Sahara.
- Enjoy a guided tour of the city of Marrakech on foot. We will see the Kourtoubia Mosque Minaret that dominates the city, the gardens of the beautiful Menara Pavilion, the Saadian Tombs, a true masterpiece of Hispano-Moresque art.
- Enjoy an exciting adventure as we spend today taking camel rides.
- We will enjoy dinner in a local restaurant.
DAY 3 Saturday, 12 June 2021
Today we will visit Amezmiz, a town south of Marrakesh in the High Atlas mountains. Later we will enjoy an organic cooking class.

DAY 4 Sunday, 13 June 2021
Today we will travel from Marrakesh to Casablanca. Our accommodation for the next one night will be in Casablanca. While here, we will enjoy breakfast at the hotel.

Know locally as Casa, Casablanca is the largest city in Morocco, both in population and size of economy, and host to the country’s primary naval base. No longer a safe haven for pirates Casablanca is now a thriving, and rather European feeling, center of industry, art and fashion.

See the Hassan II Mosque which is the largest mosque in Morocco and the 13th largest in the world, whilst its minaret is the world’s tallest at 689 ft.
We will enjoy dinner in a local restaurant.

DAY 5 Monday, 14 June 2021
Take a walking tour of the Casablanca’s seaside, which was made famous by the movie. Visit the Corniche area of Casablanca and be sure to check out the stunning views of the ocean.

Today we will travel from Fes to Casablanca. En route, visit Rabat.

Literally translating from Berber to ‘fortified place’ the nation’s capital Rabat is considered Morocco’s most conservative city and displays a civilized orderliness more akin to European cities. Located on the Atlantic Ocean at the mouth of the river Bou Regreg, Rabat was fortified in 1146 by the Almohad ruler Abd al-Mu’min to use as a launching point for attacks on Spain.

Escape the heat in the shade of the Andalusian Gardens which were originally constructed during the French protectorate era on the old palace grounds. The palace buildings now house a museum with various exhibitions of jewelry, clothing, ceramics, and traditional musical instruments.

Our accommodation for the next two nights will be in Fes. While here, we will enjoy breakfast at the hotel.

Fes is the spiritual heart of Morocco and is the most ancient and the greatest of the country’s imperial cities. Within the walls of its medina lies the world’s largest, intact medieval city where narrow streets and dim alleyways wind endlessly up and down, around and around, crammed with people, music, noise, and smells.

We will enjoy dinner in a local restaurant.

DAY 6 Tuesday, 15 June 2021
Take a Walking Tour of the historic city center. Highlights of our tour will include the impressive Bab Boujloud gate, the bustling Tanners Quarter, the many open-air marketplaces or Souks, the Karaouine Mosque, the Andalusian Quarter and Place el-Seffarine.

Visit the University of Al Quaraouiyine, which dates back to the ninth century. It is the oldest existing, continually operating and the first degree-awarding educational institution in the world according to UNESCO and Guinness World Records and is sometimes referred to as the oldest university. It was founded by Fatima al-Fihri in 859 with an associated madrasa, which subsequently became one of the leading spiritual and educational centers of the historic Muslim world.

See the Bouinania Madrasa, a group of buildings built between 1350 and 1356 by Sultan Abu Inan which provide an excellent example of Marinid architecture. The madrasa simultaneously functioned as both an educational institute and as a congregational mosque.

We will enjoy dinner in a local restaurant.
DAY 7  Wednesday, 16 June 2021

Today we will travel from Fes to Seville, Spain. Stopping in Chefchaouen and Gibraltar along the way.

Beautifully perched beneath the raw peaks of the Rif, Chefchaouen is one of the prettiest towns in Morocco, an artsy, blue-washed mountain village that feels like its own world. The old medina is a delight of Moroccan and Andalucian influence with red-tiled roofs, bright-blue buildings and narrow lanes converging on busy Plaza Uta el-Hammam and its restored kasbah.

We will take the ferry from Tangier, Morocco to Gibraltar.

Gibraltar is a British Overseas Territory located on the southern end of the Iberian Peninsula. The Rock of Gibraltar is the major landmark of the region. First settled by the Moors in the Middle Ages and later ruled by Spain, the outpost was ceded to the British in 1713. Layers of fortifications include the remains of a 14th-century Moorish Castle and the 18th century Great Siege Tunnels, which were expanded in WWII.

Stand on top of the Rock of Gibraltar and you feel as if you were on top of the world. Europe is at your feet. Africa fills one horizon, while the gates to the Mediterranean and the Atlantic are on either side. The journey to the top of the Rock rewards you with a truly breathtaking view. From a height of 426m you will see the African coastline, where the waters of the Atlantic meet the Mediterranean, Spain's Costa del Sol and a panoramic view of the City far below, the quays, marinas and bays. Stroll the quiet path to St Michael's Cave and you will be alone with nature.

We will have use of a private coach and driver, while touring for the next five days in Spain.

Our International Studies Abroad (ISA) Resident Director will meet us upon arrival to escort us to our hotel and will be available to the group throughout the tour.

For the next two nights, our base will be in Seville.

Breakfast will be included at the hotel.

Seville is known as one of the great cathedral and university cities of Europe. It is also the heart of bullfighting and flamenco, and an intriguing Moorish heritage. Seville continued to grow from its trading relationships with the Americas and today is a bustling, lively city.

Tonight, we will enjoy dinner in a local restaurant.

DAY 8  Thursday, 17 June 2021

Visit the Plaza de Espana located in the Maria Luisa Park which was built in 1928 for the Ibero-American Exposition of 1929. It is a prime example of the Renaissance revival style of Spanish architecture.

Visit the Seville Cathedral. We begin with an ascent of La Giralda, the magnificent bell tower, which provides breathtaking views of Seville. We then enter the cathedral, where we will see the Patio de los Naranjos, with its central fountain and orange trees; the Treasury; and the Capilla Mayor, which is dominated by the Retablo Mayor, dedicated to the cathedral's patron saint. Finally, we will view the grandiose Tomb of Columbus, moved to the cathedral in the 1890s.

Discover the Reales Alcázares, a former Moorish fortress taken over by the Christian kings for use as a palace. It remains one of Spain's best examples of Mudéjar architecture.

Immerse yourself in the Triana Culture, and learn about its vibrant ceramic and pottery history in a tile-painting workshop.

Tonight, we will enjoy dinner in a local restaurant.
DAY 9    Friday, 18 June 2021
Today we will travel from Seville to Granada.
Our base for the next one night will be Granada, where breakfast will be provided at the hotel.
Granada was one of the last major strongholds of the Moors, whose influence is reflected in the design and architecture of the city. This beautiful city sits at the base of the Sierra Nevada mountains, as well as at the confluence of three rivers, and this important geography drew Celts, Phoenicians, Greeks, Romans, Jews, and Moors over its long and complex history.
Explore Spain’s local cuisine by going on a Tapas Tour throughout Granada.
Enjoy a Flamenco Show at Los Tarantos, where we will observe the rhythmic art of flamenco dance and music.
We will dine this evening in a local restaurant.

DAY 10    Saturday, 19 June 2021
Stroll through the old Moorish quarter, the Albaicín, where the city of Granada was born. It is now a maze of steep streets filled with quaint shops and secluded plazas.
Explore the Alhambra, Spain’s finest display of Moorish architecture. Set high upon a hill overlooking Granada, and shadowed by the Sierra Nevada Mountains, the Moors built this city within a fortress to be a symbol of power and strength on the outside, and a “paradise on earth” on the inside. Our visit will also include the Generalife, the country estate of the Nasrid Kings, where they could enjoy tranquility high above the city, a little closer to heaven.
Today we will travel from Granada to Malaga.
For the next two nights, our base will be in Malaga. Breakfast will be included at the hotel.
Malaga is a popular destination for merchants and tourists alike, with its beautiful coastal location and large port. Picasso spent the early years of his life here, among the Roman and Moorish architecture that characterizes the city.
We will enjoy dinner in a local restaurant.

DAY 11    Sunday, 20 June 2021
Spend the morning at an exchange activity with local students.
Explore Malága’s Alcazaba. This Moorish fort was built between the 8th and 11th centuries, and is the best-preserved alcazaba in Spain. Our visit will be highlighted by the partially excavated Roman amphitheater near the entrance, and the Museo Arqueológico, which houses a magnificent display of Phoenician, Roman, and Moorish artifacts.
We will enjoy dinner in a local restaurant.
Final Reflection and Discussion Session
This evening we make the final entries in our Reflection Journal and share some of the most significant observations and perspectives that have taken shape in the course of our travel experience and how these may be most relevant for us all as we return home.

DAY 12    Monday, 21 June 2021
Our rewarding and enjoyable tour comes to an end as our Tour Director accompanies us to the airport on our final day.
Recognize Perspectives and Communicate Ideas:

3 College Preparatory Credits Through the University of California at San Diego Extension

As a result of participating on this program, all high school students are eligible to take an online Global Perspectives course through a learning management system, where all the grading and assessment will be undertaken by the WorldStrides Curriculum and Academics team, led by Wendy Amato, PhD.

The course offers 3 college preparatory credits through the University of California at San Diego Extension, where credit will be awarded upon successful completion of the online coursework with all costs associated with the course covered by WorldStrides.
