All gifts listed in this report are those received between July 1, 2009 and June 30, 2010, with the exception of Reunion gifts.

NOTE: The Alumnae/Development Office has made every effort to ensure that the information contained in this Annual Report is accurate and complete. Despite our sincere desire to avoid errors, they do occur occasionally.

If you were a contributor to Miss Porter’s School in 2009-10, but your name has been omitted, misspelled or listed under an incorrect heading, please advise us.
With the celebrations of graduation behind us and a new year ahead, it is clear to me that one school year does not ever truly conclude for each new year is built upon the one prior. The preparations for our Annual Report afford a wonderful chance to pause and reflect on the accomplishments of the 2009–2010 year and their role in asserting our continued legacy.

As Head of School, I know that any successes or challenges encountered in 2009–2010 are not unique to that one moment in time; they are part of a shared history existing for over 168 years.

From Sarah Porter’s vision to provide girls an education equal or superior to the one made available to boys, to our decision to teach ethics and leadership, Chinese and engineering, our heritage requires that Miss Porter’s School provide the best secondary education for girls.

With our focus resolute, we are able to face challenge with singular purpose. Miss Porter’s School addressed the shrinking economy by taking stock and committing to the essentials. Our successes were many. 85 seniors crossed the stage on Brooks Field, with the entire class securing strong college placement. Our entering class of New Girls was in place early in the admission cycle, and they number nearly 100 strong. We were able to be more selective with the candidates we accepted, dropping 5 percent in our acceptance rate and our yield on admitted students (how many chose to enroll) jumped by 10 percent. Our retention rate of returning students remains a staggering 96 percent. Our athletic teams had their highest performing year in three years, with 14 teams having winning seasons, including an undefeated junior varsity basketball team. 53 students were named AP Scholars, representing 31 percent of juniors and seniors.

Our community of scholars, athletes, and artists continues to encourage intellectual curiosity, inspire personal excellence, and prioritize the relationships between students, faculty, and the larger school community of Ancients, parents, grandparents, and friends. You inspire our students; in you, a girl can catch a glimpse of her own future and her lifelong relationship with school. From my travel around the country to meet Ancients and friends of the school, I know how engaged and vested you are in school life today. For this, I am grateful, for I know that it is within our legacy that we find our future.

With your leadership, Miss Porter’s School is able to ensure our commitment to our founder’s vision and remain the premier secondary school for girls. You are the very foundation on which our mission is based, and through your support, through our students, you will shape a changing world.

With appreciation,

Katherine G. Windsor
Head of School

The 2009–10 Annual Fund mailings focused on the ways in which Miss Porter’s School introduces the world to its students and its students to the world. They brought to our attention the ways in which Porter’s students strive for growth, build friendships, reach beyond their immediate environs, and expand from within.

Our mission statement challenges our students “to become informed, bold, resourceful, and ethical global citizens.” This year, we asked Ancients, parents, grandparents and friends to “strive,” “build,” “reach” and “expand” in their support of Miss Porter’s School and its important mission to educate the young women who will be the local and global leaders of the future.

We are pleased to report that our community rose to the occasion. In 2009–10, gifts to the school totaled $5,704,000. Of that amount, $2,007,000 was dedicated to the Annual Fund, providing essential current operating support. This includes gifts from the class of 2010, who met the challenge of matching the previous senior class with 100 percent participation. The students continue to demonstrate that they are fiercely dedicated to their school and challenge the rest of us to take note and join in. Increasing participation in the Annual Fund, and thereby demonstrating our belief that the school continues to be the model of excellent secondary education for girls, is where we can continue to strive and reach.

While current support in the form of gifts to the Annual Fund help underwrite budgeted expenses each and every year, it is also essential for the school’s resources to grow for the future in the form of undesignated gifts and gifts to endowment. 2009–10 was the third year of Phase II of the Campaign for Miss Porter’s School. By June 20, 2010, total commitments to the Campaign reached $18,594,000, including cumulative gifts to the Annual Fund, and gifts and pledges to endowment and for capital purposes. Through generous gifts and careful management, the audited endowment value as of June 30, 2010 was $85,039,993.

As we enter the last year of the Campaign, increasing our gifts to endowment and undesignated gifts (expendable funds acting as endowment) will continue to be a way for us to strive to reach our near-term goals and expand our resources for the future.

As always, it is the global range of our volunteers who make it possible for us to report on our achievements. We encourage you to scan the lists of volunteers throughout this report. We are grateful to the hundreds of Ancients, parents, grandparents and friends who continue to strive to reach out to build and expand support for the school.

And, as ever, we thank everyone who gave their support in 2009–10, and we encourage everyone to join in during 2010–11.

With gratitude,

Penny Barker Weeks ’77

In 1973, the Farmington Founder Society was established to honor and acknowledge the many leadership donors whose generosity sustains the school. The thoughtful contributions of Founder Society members are vital to the educational programs and operations of Miss Porter’s School. During the 2009–10 year, 308 Ancients, parents, past parents, grandparents and friends supported the school with gifts of $1,843 or more. This year, the gifts made by members of the Founder Society totaled $5,263,980. Additionally, 246 of these leadership donors participated in the Annual Fund, contributing a total of $1,529,892, which comprised 76 percent of the Annual Fund total. The generosity of the 2009–10 Founder Society donors listed allows our students to explore, grow, and succeed both in the classroom and beyond. These gifts at a leadership level are the cornerstone of every year’s fundraising efforts, and the school is very grateful to these donors.
Founder Society members are listed by total gift amount received between July 1, 2009 and June 30, 2010, credited to all funds.

The 2009–10 Annual Fund total of $2,006,920 provided 10 percent of the operating expenses at the school. The school is grateful to each of the donors listed in this report for their continued generosity and support of Miss Porter’s School. Each contribution has a direct and lasting impact on every student’s experience—in the classroom, on the playing field, on stage or in the studio.
The Annual Fund makes possible the everyday functions of school and affords us the opportunity to provide our girls with the highest caliber secondary education. The Miss Porter's School deeply appreciates the support received from Ancients, parents, parents of Ancients, grandparents and friends as you support our mission year after year.
This year, giving from Ancients totaled $1.253 million (including matching gifts and foundation gifts credited to individuals), slipping imperceptibly, (down $900) from 2008–09. Ancient participation remained consistent with the previous year at 33 percent overall. With the participation goal for the 2010–11 Annual Fund set at 40 percent we must continue to raise awareness and support for the Annual Fund. Every Ancient’s gift is essential to our effort to meet this benchmark. The Annual Fund is vital to the continuing success of Miss Porter’s School. By providing 10 percent of the school’s operating budget, the money raised for the Annual Fund sustains every aspect of the school and our students’ experiences. From financial aid to educational technology, the school relies upon the Annual Fund to offset rising costs and maintain the high caliber of a Porter’s education. Moreover, the success of the Annual Fund is dependent upon the support of donors who are committed to providing continued and ever-increasing gifts. With the generous support of all Ancients, the school will continue to provide the best possible education to every entering class of New Girls.

Senior Gift
In addition to individual gifts to the Annual Fund from 100 percent of the class, the Class of 2010 raised $21,910 through the first-ever “Porter’s Price Is Right” online auction. In response to one of the informative presentations made on Earth Day, the class chose to designate the funds toward the installation of an energy monitoring system for residential buildings. Termmed “The Polar Bear,” the TelEmotion digital energy meters will monitor energy usage in the dorms and bring conservation to life with a display of an animated polar bear whose environment adjusts from arctic, when energy usage is low, to treacherously warm, when energy consumption is high. Their gift will leave a legacy of environmental education and conservation to ensure that future classes care for the campus and the world beyond.

Parents of current students contributed 15 percent of the total 2009–10 Annual Fund.

current parents

Under the dedicated leadership of Sharon and Michael McQuade, parents of Maura ’11, current parents raised a remarkable $297,833 to support the Annual Fund and achieved 58 percent participation. Thanks to the hard work of the McQuades and the Parent Leadership Committee members these results reflect an increase of nearly $20,000 and 3 percentage points over the 2008–09 year. The school is grateful to the many families whose generous contributions strengthen the community and ensure its success long into the future.

parents of ancients, grandparents and friends

The school deeply values the generous gifts made by the families and friends of our students and Ancients. This year, the parents of Ancients contributed $108,899 to the Annual Fund which will support both current and future students as they embark on their journey of growth and learning at Porter's.

The school is grateful to the members listed who have demonstrated their visionary leadership by including the school in their estate plans. Among the various types of planned gifts that are recognized by membership in the Heritage Society are bequests, charitable gift annuities, pooled income fund contributions, charitable remainder trusts, charitable lead trust and gifts of life insurance.

The school would like the opportunity to recognize, during their lifetime, those forward-thinking individuals who are making an especially personal and meaningful gift through their estate plans and you are encouraged to let the school know your plans, if you have not already done so.

The school is fortunate to be the steward of over 250 named endowed funds. Income from endowment offsets 24 percent of the school’s annual budget, including support of faculty, academics, scholarships, extracurricular programs and general support. The school is grateful for those whose thoughtfulness and generosity continue to provide essential support through these endowed funds.
Augmenting an existing named endowed fund is a way to honor classmates, parents, daughters or others. During the 2009-10 year, the following named endowed funds were augmented, with new gifts or pledge payments.
