# CSW HOLIDAY OBSERVANCES 2024–2025

The Cambridge School of Weston takes great pride in the diversity of cultures represented in our community, and it is important to us that all religious and/or cultural holidays are respected and accommodated accordingly. The following list offers a sampling of the holidays observed by members of the CSW community. While our school calendar includes holidays that are not days off from school, it is our hope that listing them here will increase awareness among fellow students, faculty, staff, and families. All absences related to the observance of a holiday will be excused and will not count in determining total absences related to earning course credit. Students intending to be absent from school in order to observe a religious and/or cultural holiday are expected to notify the attendance office by calling 781-642-8624 or by emailing [attendance@csw.org](mailto:attendance@csw.org) one week prior to the absence.
