Founded in 1960, Berkeley Preparatory School is a Pre-K — Grade 12 coeducational independent day school. Berkeley educates the whole child by nurturing students’ intellectual, emotional, spiritual and physical development so they may attain their highest potential. Our philosophy encompasses a balanced curriculum of academics, arts, clubs and activities, competitive sports and community service. An emphasis on academic excellence combined with a spirit of social responsibility cultivates in students a newfound confidence and shared sense of purpose. Students exchange ideas, study virtues and explore ethics as they define their attitudes and values.

SCHOOL PROFILE
- Accredited by the Southern Association of Colleges and Schools (SACS), the Florida Council of Independent Schools (FCIS), and the Florida Kindergarten Council (FKC)
- Enrollment: 1,389
- Faculty: 144
- Student Diversity: 33%
- Graduates attending 4-year colleges: 100%
- Class of 2019 enrollment: 151
- Class of 2018 National Merit recognition: 17%

GRADUATION REQUIREMENTS
24 credits, including successful completion of:
- English: 4 credits
- Mathematics: 4 credits
- Science: 3 credits of laboratory science
- World Language: 3 credits in one language (must be enrolled in a language through sophomore year)
- History: 3 credits
- Religion: 1 credit (semester courses - World Religions and Ethics)
- Physical Education: 2 credits
- Visual/Performing Arts: 2 credits
- Academic Electives: 2 credits

ACADEMICS
Accelerated tracks are available in history, science and math. A select group of sophomores are approved for the Advanced Placement track in history, including AP® European History in grade 10, AP® U.S. History in grade 11, and AP® Macroeconomics and AP® U.S. Government in grade 12. Students are selected based upon outstanding performance in English 9 and World History, and must have the recommendation of two teachers. Select students are approved to pursue two science courses in grade 10, typically requiring an overload of six academic classes for the year. Approval must be granted by the science department (teacher recommendation and chair approval) and the Director of Academic Counseling. Approximately 20 students in each graduating class complete AP® Calculus BC, and a select few complete post-AP® Honors Seminars in math.

Global Scholars Program
Students may elect to pursue an internationally focused course of study through our Global Scholars Program. This three-year program revolves around four key components: curricular, extracurricular, service learning and cross-cultural exchange. The program develops each student’s potential to become a responsible and effective global citizen. Berkeley sponsors a wide and varied international travel program for the students. Previous groups have traveled to Cuba, Nepal, China, Italy, Ghana, Australia and Spain, among many other locations.

Academic Honors
Berkeley holds membership in the Cum Laude Society, inducting the first round of students in the spring of junior year, and the second round of students in the spring of senior year. Berkeley sponsors a chapter of NHS, as well as honor societies in various disciplines.

COMMUNITY ENGAGEMENT
Community engagement and social responsibility are an integral part of the philosophy at Berkeley. Students are required to contribute at least 76 hours of service prior to graduation. Each year, Upper Division students complete more than 25,000 hours of service.

Extracurriculars
In the last year, approximately 77% of students competed on one of Berkeley’s 46 athletics teams. Berkeley also has 100 extracurricular organizations from arts to journalism to leadership. For the last eight years, Berkeley has been among the top two performers in its class for FHSAA Academic State Champions.
**CURRICULUM**

**HONORS COURSES**
- English 11, 12
- Geometry
- Algebra II
- Accelerated Algebra II
- Precalculus
- Calculus
- Statistics
- American Government/Economics
- United States History
- Psychology
- International Relations
- Biology
- Physics - Engineering
- Engineering Design
- Physics
- Chemistry
- Neuroscience
- Chinese II, III, IV, V
- French II, III, IV, V
- Latin II, III, IV, V
- Spanish II, III, IV, V

**AP® COURSES**
- Biology
- Calculus AB
- Honors Acc. Precalc w/ AP® Calc AB
- Calculus BC
- Chemistry
- Computer Science A
- Computer Science Principles
- English Language
- English Literature
- Environmental Science
- European History
- French Language
- Government - Comparative
- Government - U.S.
- Latin
- Macroeconomics
- Microeconomics
- Music Theory
- Physics 1
- Physics 2
- Physics C: E and M
- Physics C: Mechanics
- Psychology
- Spanish Language
- Spanish Literature
- Statistics
- United States History

**POST-AP® COURSES**
- Honors Seminar: Advanced Topics - Math
- Honors Seminar: Microbiology
- Honors Seminar: Multivariable Calculus
- Honors Seminar: Organic Chemistry
- Honors Seminar: Quantum Mechanics
- Honors Spanish Seminar
