Due to U.S. Coast Guard regulations, as of September 2018, Tabor Boy is to be used solely as an educational vessel for current students. Regrettably we are unable to offer alumni cruises aboard Tabor Boy. In lieu of cruises, we will offer two kinds of launch harbor tours throughout the day on Saturday and will extend the open waterfront hours for sailboat and kayak use. Sign-up sheets for Tabor Boy Educational Experience and Sippican Harbor tours will be available at registration.

The Tabor Boy Educational Experience: Aboard Tabor Boy allows participants to work with the crew to set and furl the mainsail and foresail and learn about some of the vessel’s rigging. Optional instruction on going aloft will be included. This is an educational and fun opportunity for adults only.
