

BYOD Minimum Specs Communication for 2023-24

For 2023/24, students in Grade 9-12 are required to bring their own device to school and use it when it is deemed necessary for educational purposes. This includes PC laptops or tablets and Macbooks, iPads (with external keyboard) and Chromebooks.

Students registering for the following courses & activities are expected to have a PC laptop running Windows 10 or above, or a Mac laptop running Monterey OS or above. Students with iPads or Chromebooks will be unable to run the software required for these courses.

- AWT3M - Grade 11 Non-Traditional Arts
- TGJ3M - Grade 11 Communications Technology
- TGJ4M - Grade 12 Communications Technology
- ICS3U - Grade 11 Computer Science
- ICS4U - Grade 12 Computer Science
- TEJ3M - Grade 11 Computer Engineering
- TEJ4M - Grade 12 Computer Engineering
- Yearbook

Smart phones and smart watches are not acceptable BYOD devices for students in Grade 9-12.

Course Registration Requirements

Once timetables have been created and distributed, students in Grades 10 through 12 should check with their teachers about device requirements if taking one of the above courses.

BYOD Requirements

| Model | CPU Speed | RAM | Hard Drive | Video RAM | Supported OS |
|-------|----------------------------------|-----------------|---------------------|-----------|-------------------------------|
| PC | i7 Processor or better | 16 GB or higher | Min. 500 GB* | 2 GB* | Windows 10 (Pro or Education) |
| Mac | Intel Core i7, 2.2 GHz or higher | 16 GB or higher | 512GB SSD or higher | — | macOS 12 (Monterey) or higher |
