

CDS

EDUCATION WITH BALANCE

August 9th, 2023

Dear Grades 5-8 and Senior School Parents,

The Music Department is excited for another great year at CDS. This letter serves to communicate our procedure for students who are involved in an instrumental music class (Grades 5-8 and Grades 9-12), or planning to play in an extra-curricular ensemble. *If your Senior School child is not participating in Music this year, no need to read further as this will not apply.*

The Country Day School will be using Cosmo Music as our supplier. We are thrilled with the service we have received and are confident they can outfit our program to meet the needs of your children.

Cosmo has created a terrific homepage to simplify the rental process. Please visit countryday.cosmomusic.ca and scroll down to click on the blue RENT AN INSTRUMENT button. Detailed instructions are attached. The cost is \$299.00 plus optional insurance and HST.

Should you have any questions or concerns please feel free to contact your child's music teacher.

Looking forward to a musical year!

The Music Department

COSMO MUSIC
