Ages Eligible
Boys ages 10–13 are eligible to attend the three-week Sports Camp. 14-year-olds who will enter 8th grade in the fall of 2017 may attend.

Arrival and Departure
Session will begin Sunday, June 18, and end Friday afternoon, July 7. Boys must check in between 9 a.m. and 11 a.m. on opening day. Parents’ Day, July 7, will end by 1:00 p.m.

Athletic Facilities
Camp facilities include the use of all Woodberry Forest School athletic facilities: playing fields (including two artificial turf fields), two gymnasiums, outdoor swimming pool, wrestling room, all-weather tennis courts, GrassTex track, Alpine Tower, the Rapidan River, and a nine-hole golf course. The Harry Barbee Jr. ’47 sports center facilities include an indoor pool, 200-meter track, five basketball courts, five tennis courts, three squash courts, and volleyball and racquetball courts.

Medical Examination
All campers are required to have a physical examination before coming to camp. The medical form is available for download under the Sports Camp section of our summer camps website page (woodberry.org/camps). The completed certificate and copy of a current insurance card should be mailed by May 1 rather than brought to camp by the camper! All usual immunizations shots are also required.

Fees
Charge for three-week session is $3,750. A non-refundable deposit of $100 is required with each boy’s application, with the balance to be paid by April 1.

Housing
All boys, along with their counselors, will be housed in air-conditioned Woodberry dormitories.

Meals
Meals will be provided in the dining room of the school and menus are planned by a skilled dietitian.

Equipment
Sheets, towels, pillowcases, and gym clothes to be worn during sports activity periods are provided by the camp; however, campers should bring their own pillows. Please do not bring any electronics or cell phones.

Transportation
Transportation to and from camp will be the responsibility of individuals. Boys arriving by plane without parents will be met by staff members if prior arrangements are made.
