

ASK! Winter Classes 2016-17 November 7, 2016-February 16, 2017

Robo Rangers for Pre1st and 1st Grades- We have ALL NEW activities! Your child will tell you about the amazing world of programming, robotics, and technology that they will explore in this adventure of a lifetime! Imagine That! kids program a Dragon that roars, a Hippogriff that flies and build and play Harry's Game with LEGO Education WeDo™ robots. We will continue to learn about motorized and simple machines with a Jumping Frog and Swishing Skier just to name a few! We are continuously improving your child's programming capabilities on our tablets with Hour of Code: Foos and Scratchjr. This is how we are meant to learn!

Mondays Pre-1st & 1st \$425 2:45-3:45

Robo-Tech for 2nd-5th Grades- ALL NEW activities! Students continue going technically crazy as they MINDSTORM their way through robotics and programming, creating NEW amazing robots with sensors. We continue to challenge your child in building and programming using Lego® Mindstorms ® NXT's and EV3's. Your child will amaze their friends with their ability to program their own games and videos! They will create challenges and games for their classmates to test using reasoning, sequential thought and Scratch Programming! We will also learn more about Alice 2.2! This tool is the next step in programming videos, which allows the students to control facial features and realistic body movements while creating their own story line. Engineering and Architectural skills will continue to grow as we build mechanical structures that withstand the forces of nature! We will employ pneumatic energy as we build more Crazy Cranes!

Mondays 2nd-5th \$415 3:45-4:45

Craft Corner – Just in time for the holidays, students will make crafts to adorn their families' homes. Whether it's Thanksgiving, Christmas, Hanukkah, or Valentine's Day, children will have the opportunity to celebrate. They will delight in crafting everything from homemade wrapping paper to watercolor masterpieces. This is sure to be a popular one with all of our budding artists. Let's see if we have our own Claude Monet or Pablo!

Monday Pre1st & 1st \$393 3:30-4:30

Volleyball – We are happy to have Westminster Varsity Volleyball Coach, Jona Braden, back to lead our ASK! volleyball mini-course. This class will offer an introduction to the sport of volleyball with lots of fun included. Basic skills taught include: stance, shuffle, passing hand position, passing motion, an introduction to offense, and more. Both boys and girls are welcome to sign up! We may have a future Wildcat Volleyball player in the works!

Mondays 2nd-5th \$383 3:30-4:30

WCAT - "It's time to be on TV" and also experience what happens behind the scenes! Daniel Searl and Westminster WCAT students will lead students in learning how to announce the news, present the weather report and call sports highlights. They will also learn the technical side of the broadcast business: how to frame the camera shots, edit a show and use the green screen. The final products will be available to view online!

Mondays 3rd-5th \$383 3:30-4:30

Accessory Crafting with Mrs. Hurst- Do you have a passion for creating the things you wear? Sign up for the accessories crafting class and learn how to make headbands, jewelry, and other accessories with both purchased and found materials with Mrs. Hurst.

Mondays 2nd-5th \$383 3:30-4:30

Chess –Chess Atlanta is happy to be back to lead the chess class at ASK!. Students will learn about and participate in different kinds of tournaments- Standard Tournament, Bughouse (or team chess) and Blitz (or speed chess). During meetings, members will learn tactics, how to use a chess clock, play computer chess and solve chess puzzles. If your child enjoys this popular game and would like to build their chess skills through lessons and competition, please come join us! All levels welcome.

Tuesdays Pre-1st & 1st \$425 2:40-3:35

Tuesdays 2nd-5th \$415 3:35-4:45

Dance – Dance with Millie Rhodes- Dance is a wonderful physical outlet for people of all ages. Dance teaches students a new way to think and process information, provides an amazingly rigorous physical work out, and is a whole lot of fun! Millie Rhodes will lead students in experiencing ballet, modern, and hopefully have time to create movement of their own. No previous dance training is required; students can simply wear whatever they wore to school. Come dance with us!

Tuesdays Pre-1st & 1st \$393 2:45-3:30

Tuesdays 2nd-5th \$383 3:30-4:30

Kid Coding - Coding is the “language” of computer programming and a valuable skill in today’s world of technology. At ASK!, students will be lead by Upper School students, using SCRATCH to increase their programming knowledge, make fun video games and interactive stories!

This fun class is perfect for kids who have great imaginations, like figuring out how things work or simply a love for technology.

Tuesdays 2nd-5th \$383 3:45-4:45

Drawing and Painting – Westminster Art Teacher, Mr. Soltau is back to provide a great release to a busy academic day. Students will explore a variety of dry and wet media to create drawings and paintings from their imagination and observations. Sign up quick to get a spot in this super popular class!

Tuesdays 2nd-5th \$383 3:45-4:45

Mandarin- Students will learn how to speak mandarin including greetings and introductions, colors, fruits and vegetables, count from 1-100, plus so much more. This educational and fun class will also teach students how to write Chinese characters, sing Mandarin songs and play a variety of different games.

Tuesdays Pre-1st & 1st \$393 3:20-4:00

Tuesdays 2nd-5th \$383 4:00-5:00

Digital Storytelling with Mrs. Hudak- This class will focus on the creation and the presentation of writing. Students will be introduced to different apps and software that allow them to present their writing and ideas digitally. Students will create personal narratives, fictional stories, and poetry, and then present their writing using different digital applications and programs. Writing throughout the course will include pictures, illustrations, audio, text, motion and more!

Tuesdays 2nd-5th \$383 3:30-4:30

Dip, Dab and Paint-Come explore the creative process of painting while allowing your child to express themselves through their own art! Students will paint with different types of mediums and materials, make their own paint mixtures and create their own masterpieces!

Wednesdays Pre-1st & 1st \$393 2:45-3:45

Alliance Theatre Drama – Come experience the excitement of acting, with the Tony Award winning Alliance Theatre. Stretch your imagination and enhance your creativity as you explore the wonder of the dramatic arts. Pre-1st and 1st graders will enhance their creativity, develop storytelling techniques while improving their coordination and concentration skills. 2nd-5th graders will develop improvisational skills, learn vocal and movement techniques while uncovering a whole new world of dramatic arts.

Wednesdays Pre-1st & 1st \$425 2:45-3:45
Wednesdays 2nd-5th \$415 3:45-4:45

Hoops with Coach Dunn- Lower School Physical Education Teacher, Andy Dunn will engage students in the basics of basketball such as dribbling, passing, shooting, and game play. Students will develop fundamental basketball skills while learning teamwork, strategy and sportsmanship.

Wednesdays 2nd-5th \$383 3:30-4:30

Sketch Club- This class will be an introduction to sketching and drawing techniques! Each class, students will start off with some drawing games as a warm up lesson to develop drawing fundamentals. There will also be a loose theme to inspire anyone who isn't sure what to draw. Some themes covered in the upper school club have been Star Wars and putting your favorite TV character in a classical painting.

Lead by Westminster Upper School students who have created their own "Sketch Club", this class will allow 2nd-5th grade students to decompress through art while expressing themselves and their creativity.

Wednesdays 2nd-5th \$383 3:45-4:45

Etiquette Class with Nurse Caldwell- In this new class, Nurse Caldwell will cover meal etiquette, common courtesy, phone manners, RSVP's & thank you notes, proper introductions, and much more! Watch your children learn and expand their knowledge on these important life skills of charm and manners! Nurse Caldwell will inspire courtesy and confidence while ensuring all are having fun!

Wednesdays 2nd-5th \$383 4:00-5:00

Children's Yoga - This class for the young yogi will combine games, stories, and poses to incorporate fun and play into the yoga practice. Each class will focus on a theme, such as balance, acceptance, and empathy. We will learn about different breathing exercises and the Sun Salutation sequences, as well as poses and games for balance, strength, and relaxation.

Thursdays Pre-1st & 1st \$393 3:45-4:45

Thursdays 2nd & 3rd \$383 3:45-4:45

Cheerleading – This mini-course is perfect for the little cheerleader just starting out! Our fun introductory curriculum is designed to teach basic cheerleading and dance skills. This class will be taught by Westminster Varsity cheerleaders and is a great step into the growing sport of cheerleading!

Thursdays Pre-1st & 1st \$393 3:00-4:00

Game-On Math- Students will build math skills by playing board games, computer games and hands on math activities. Music and Movement will also be incorporated in developing foundational math skills. Come join Pre-1st teacher, Ms. Hines while she leads students in developing strategies for solving problems and working cooperatively in partnerships and small groups.

Thursdays Pre-1st \$393 2:30-3:30

Fridays 1st \$393 1:45-2:45

Homework Help -Westminster Upper School students will assist students by answering specific homework questions and supporting good time management and study skills. Once students have completed their homework, they may pursue another quiet academic-based activity.

Thursdays 2nd-5th \$383 3:45-4:45

Public Speaking- Students will be introduced to and learn the basic concepts, ideas, and strategies surrounding effective public speaking and argumentation in an engaging, fun, yet, rigorous way. Throughout the course, students will garner skills in one or more of the following areas: critical thinking, organization, critical listening, research, delivery, refutation, persuasion, argumentation, and conflict resolution.

Thursdays 2nd-5th \$415 3:15-4:15

Fun Creative Writing- In this creative writing class, students will learn the basics of story structure, editing skills, and fun ways to overcome writer's block. This class will be led by Upper School students and will allow students to find their happy writing spot allowing creativity, imagination and happiness!

Fridays 2nd-5th \$383 3:00-4:00

Karate – EZ Kid's Self Defense Academy is a martial arts program whose mission is to reach each student and help them find their inner strengths through learning self-respect, self-confidence, discipline, focus, and fitness. Our program focuses on building self-esteem, anti-bullying, conflict resolution, using self-defense as a "last" resort, fitness of mind, body, and spirit and respect for oneself and others. Classes will consist of warm-up exercises, listening, and concentration skill games that make training fun. New students are required to purchase a uniform for \$60, due on the first day of the class. More info will be provided during registration.
