Dear Parents and Students,

Summer is a great time for reading! There are many excellent children’s books available, including the titles we’ve recommended on this reading list. This booklet is just one resource for locating great books. The public library and many local bookstores are also excellent sources of information and will be delighted to help you fill your summer with wonderful books. The books listed are suggested titles, and we have tried to include books for the varied reading levels in second grade. Also, please note that any additional book by one of the authors listed here may be read, too.

The Twelve Rules of Summer Reading:
Read…Read again…Read some more…Read anything…Read about everything …Read enjoyable things…Read things you yourself enjoy…Read and discuss it…Read carefully some things…Read on the run, many things…Don’t think about reading, but…Just read!
