DRESS CODE:

The school-sponsored dress policy exists in order to provide students individual freedom while promoting a climate of academic excellence. Wearing the proper uniform components and fit shows respect for classmates, faculty and school. The policy will:

- ensure student safety;
- avoid distractions caused by provocative, inappropriate, or symbolic fashion statements;
- maintain LuHi's professional climate;
- provide an environment of socio-economic equity.

The following items are not acceptable:

- t-shirts
- plaid, rugby, or striped shirts
- cargo items of any kind (pants, shorts, skirts, skorts)
- hooded sweaters, hooded cardigans, or hooded sweatshirts

On a N.U.T (No Uniform Today) day, hooded sweatshirts, jeans with excessive holes, and midriff baring shirts are not allowed.

Using our Preferred School number of 9000-6637-4, order uniforms from Lands' End:

By Phone at 1-800-991-9294

On Line at www.landsend.com/school

Please Note:

- Uniform clothing components are to be worn from the time the student arrives on campus.
- Uniform clothing components are to be worn for all field trips unless the students are specifically exempted by the supervisor in consultation with the school administration.
- Uniform shorts may be worn from the start of the school year through October 31 and again from April 1 through the end of the school year.
- Black, brown or burgundy belts should be worn with pants and shorts. All pants must be worn at the waist, and skirt length must be no less than two (2) inches above the knee.
- Below knee fashion boots may be worn.
- Dress shoes, strap-backed sandals, and laced-up, clean sneakers are acceptable footwear.
- Dress oxford shirts and blouses may not be opened beyond the second top button and must be long enough to remain tucked in. Long-sleeve shirts are not to be worn under short-sleeve shirts.
- Polo shirts, appropriately sized, do not need to be tucked in. They must not appear sloppy. Shirts worn under the uniform shirt or blouse must be of one color, must not have writing or graphics, and must not extend beyond the sleeves of the shirt, or the bottom hem of the shirt be excessively long.
- The zip-up fleece does not need to be tucked in. The zip-up fleece must be worn over a component shirt or blouse.
- If a student is considering a change in hairstyle, hair color, or personal appearance which might be considered inappropriate for the norm at LuHi, the student should check with the Administration before making any changes. Hairstyles should generally not have a dramatic variety in length. The completely or excessively shaved head is not appropriate.
- State law mandates that headwear is not to be worn in school. Should a student be wearing an item of headwear, it will be confiscated. Girls may wear hairbands no wider than two inches.
- Sunglasses are not to be worn in school. Should a student be wearing sunglasses, the glasses will be confiscated.

- Approved LuHi team “game-day” attire is allowed on the day of a game or a Friday
- Additionally, team or club apparel is allowed under the following circumstances:
 - Land’s End bottoms must be worn
 - No hooded sweatshirts
 - School colors only - grey, black, red, or white. School logo, the athletic Logo, or the word “LuHi” must be visible
 - No nicknames on team or club gear
 - Must be approved by the athletic department (team gear) or administration (club gear).
 - Gear/apparel must not be altered.

STYLES, TRENDS, FADS

Styles come and go and no one has control over what is in vogue at a particular time. That being said, there are some “looks” that at times will be found to be unacceptable. Of special concern are fads that have come to symbolize elements in our society that are not in keeping with the mission and expectations of LuHi. During the course of the school year additional items may need to be added to this group. Presently this group includes items such as:

- steel ball or “chain link” jewelry or accessories;
- chains/straps hanging out of pockets and/or attached to wallets;
- excessively long belt ends that are not tucked into belt loops;
- black lipstick;
- jewelry symbolic of subculture groups or extremist movements;
- any body piercing that is distracting;
- distracting stockings;
- above the knee fashion boots;
- slippers of any kind;
- flip flops;
- Tattoos/Body Art must be covered.

The effectiveness of the dress code is evaluated at the end of each school year by the administration, faculty, and Board of Directors.

ENFORCEMENT

If a student is not dressed in the appropriate uniform attire, the student 1) may be suspended from classes until the proper clothing is brought to school, or 2) may purchase the proper components from the school bookstore (the parent(s) or guardian(s) will be subsequently billed). In either case, a conduct for a dress code violation will be issued to the student and disciplinary action will follow..
