BECOME A HOST FAMILY

HAS GOD BEEN CALLING YOU TO SERVE?

Landmark Christian School is blessed with the opportunity to bring the mission field to our doorstep. The International Student Program is a valuable and rewarding ministry for both the host family and the international student. The student’s tuition, supplies, and everyday necessities are paid for in advance. The host family will receive a generous monthly stipend to cover hosting costs like room, board, transportation, and family activities. We are also seeking respite homes at a weekend to two-week commitment if the need arises.

GAIN A NEW FAMILY MEMBER

Landmark will screen students prior to placement to ensure a high-quality match based on interests. Students speak conversational English.

EXPERIENCE A NEW CULTURE

Learn about cultures, customs, and traditions from around the world. A dedicated Landmark student coordinator will assist host families with acclimation and check-ins.

MAKE A POSITIVE IMPACT

With a loving and nurturing family environment, students are more likely to be successful and gain the greatest benefit from their cross-cultural adventure.

“We have shared great conversations in our living room; proofread many essays, listened to a variety of music, and tried new and delicious foods! We encourage any family, no matter the age of their children, to give hosting a chance. You could find that your student enjoys family life just as much as you do!” - Harris Family, former Landmark host family
