PROFILE 2021 - 2022

FOUNDED IN 1938
Miami Country Day School is a coeducational, independent, nonprofit, college preparatory school, grades PK3-12. Our diverse community is comprised of students and faculty from approximately 31 countries.

MISSION: Miami Country Day School empowers every student, every day, everywhere to learn with vigor, explore with purpose, strive for excellence, and serve with honor, respect, and compassion as global citizens. We do this in a community where every student is known and included by engaging the whole child, in and out of the classroom as they discover their full potential.

VISION: Our vision is to be a global PK-12 school community where excellence in values-based, purposeful, and experiential learning happens for every student, every day, everywhere: at home, in the classroom, in Miami, and around the globe.

POTENTIALS: We inspire our children to develop their intellectual, physical, aesthetic, social, emotional and spiritual potentials by valuing every student, every day.

ACCREDITATIONS: FCIS and SACS: active membership is maintained in NACAC, SACAC, ACCIS, NAIS, SAIS, CASE, CRIS, ERB, American Library Association and the CollegeBoard.

RANKING: Miami Country Day School does not rank its students because of its small size, rigorous curriculum, and selective admission policy.

GLOBAL STUDIES DIPLOMA ENDORSEMENT: A voluntary diploma program for aspiring Global Citizens to go beyond graduation requirements in order to fulfill five interdisciplinary components of global education: World Language, Travel, Community Service, Curriculum, and Global Projects. Successful candidates gain experience in managing relationships, navigating cultural mores, and brainstorming solutions to global issues.

CAPSTONE: All of our seniors develop, research and complete a meaningful project as a graduation requirement, with support from the Project Capstone Committee and Senior Advisors. The projects are grounded in problem-solving or rooted in service-learning and reflective of our core values. Students are asked to think globally, act locally.

X-TERM: Education re-imagined; through experiential opportunities on campus, in the greater Miami community, and at domestic and international locations, every Upper School student has the benefit of taking part in an experience that is specifically created to meet the needs (and interests) of our emerging global citizens.
