

HILLFIELD STRATHALLAN COLLEGE PRE-ALUMNI ORIENTATION PACKAGE **2020**

ALUMNI 101

WELCOME TO HSC'S ALUMNI COMMUNITY

Graduation doesn't mark the end of your ties with Hillfield Strathallan College; your status simply changes from student to alumni! With your new title comes new privileges and honours.

The Alumni Association existed before the amalgamation of Hillfield College and Strathallan School in 1969. To date, 70 Alumni Presidents have overseen this active association, which consists of more than 3,000 members and over 100 Class Representatives.

The Alumni Association takes pride in bringing the talents and enthusiasm of its members back to HSC to enhance the educational experience of our students.

ALUMNI PROGRAMMING

The Alumni Office is located in the Strathallan Building and is ready to support the efforts of a broad range of Alumni volunteers. The Alumni Association Executive oversees the HSC Mentor Connect program and awards such as the Alumni Award of Distinction, Hall of Excellence, and the Athletic Hall of Fame. It is also involved in events such as the HSC Golf Classic, Carol Service Reception, Young Alum Pub Nights, Homecoming, regional reunions and much more!

OBJECTIVES OF THE ALUMNI ASSOCIATION

The Alumni Association's primary objectives are to:

- Promote the interests of all alumni
- Represent the alumni in all matters related to the College
- Build a base of dedicated volunteers whose experiences will benefit the College
- Preserve the traditions of the College for future generations
- Act as a public relations vehicle to attract support to the College and alumni programming

To put it simply, the Alumni Association ensures that the voices of the alumni are heard by the College and vice versa, representing the College of yesterday and today.

The Alumni Association also has a Young Alumni Representative on the Alumni Association Executive (AAE) as a voice for its newest members. If you have a keen interest in networking with other alumni and participating on this committee, please contact:

Bianca Barton '03, Alumni Relations Officer

CLASS REPRESENTATIVES

THE TRADITION OF CLASS REPRESENTATIVES

The selection of Class Representatives for the graduating class is an honoured tradition at HSC. The Alumni Office currently has information on Class Representatives from 1949 forward. Individuals who accepted this role are responsible to their class and the College to maintain the link between their fellow alumni and Hillfield Strathallan College.

HSC CLASS REPRESENTATIVES

The Head Boy and Head Girl are automatically nominated to fulfill this role. They will work with the Alumni Association as the Class Representatives. For the Class of 2020, Stevan Vujcic and Kate Masliwec are your Class Representatives.

ROLE AND RESPONSIBILITIES

Class Representatives will be the voice of motivation and enthusiasm for all alumni events. They will be responsible along with the Alumni Relations Officer for the organization of any casual and/or milestone reunions involving their graduating year. Events such as the HSC Golf Classic and Homecoming require the Class Representative's participation as a role model for their class' attendance.

CLASS NEWS

HSC stays connected with its graduates through the HSC Review, E-Broadcasts, and social media including Twitter, Facebook, Instagram and LinkedIn. Class Representatives will be requested to help obtain up-to-date personal profiles and "good news" stories about their class for these publications.

EXPECTATION

Class Representatives have been a tradition at HSC. As leaders selected by their peers, they are instrumental in retaining ties between their class and the College.

Class Representatives are called upon to assist the College in the location of lost alumni and the planning of their milestone reunion, in addition to various other tasks from time to time.

ALUMNI AWARD OF DISTINCTION GRADUATE SCHOLARSHIP

THE WARREN DAKIN '78 ALUMNI AWARD OF DISTINCTION GRADUATE SCHOLARSHIP

In 2005, the HSC Alumni Association set out to create a prestigious award to celebrate the success of HSC alumni while inspiring the student body of today. The result is the Alumni Award of Distinction, which honours Alumni who exemplify the Hillfield Strathallan College vision to realize their full potential, become global citizens and better the world around them.

A scholarship of \$1,000 is awarded to a graduating student, in the name of the current recipient of the Alumni Award of Distinction. This year the Award of Distinction recipient was Warren Dakin '78.

This scholarship helps to launch one of HSC's newest alumni into a distinct future of their own.

To read more about Warren Dakin '78 [CLICK HERE](#).

Below is a list of those that have been awarded and honoured through the HSC Alumni Award of Distinction Graduate Scholarship:

COMMEMORATE YOUR YEARS AT HSC

NEW GRADUATE RING

The College is pleased to present its new graduate ring. This exquisite commemorative ring was designed by Ashley Jewellers and is available exclusively through the HSC Campus Store. The new graduate ring is available for men and women in 10, 14 and 18K yellow and white gold and can be custom-sized.

GRADUATE DIPLOMA FRAMES

Memories are forever. Frame them accordingly. The HSC Campus Store is pleased to offer all graduates the opportunity to commemorate their wonderful accomplishment with one of our custom diploma and picture frames. Please visit the HSC Campus Store for more information on sizes, styles and ordering.

To order, or for more information, please contact Marianne Mullen in the HSC Campus Store at 905-389-1367, ext. 112. ***In order to ensure a June delivery, graduate rings must be ordered by June 30, 2020.***
