From Wish To Reality

As parents, we’ve invested time and money in our professional training to build long and rewarding careers. We dedicate our hard earned resources only when we see and understand the value of our investments. The purchase of a great car is backed by performance and safety ratings. The investment in a quality home allows those we love the necessary space to grow. We are discerning and determined when it comes to the future of our families.

As parents, we also want the very best education for our children. **We recognize that the best schools are not preparing their students for this year’s tests, they are preparing children for all of life’s tests.** For over a century, The Peck School has done exactly this.

If you understand the value of a Peck School education yet worry about the affordability, here are a few things you should know:

**What You Want Is Within Your Reach**

**TUITION ASSISTANCE AT THE PECK SCHOOL**

- **Over 1 Million Dollars** of tuition assistance offered at Peck each year
- **$30K - $300K** Current household income range of families receiving tuition assistance from Peck
- **12% of Peck students currently receive tuition assistance**

*Go find the place that you are wishing for.* — Natsuki Takaya

**Join The Peck Pride**

There are several options for affording your tuition at The Peck School:

- **Financial Aid:** Requests for financial aid should be made at the time of application.
- **Payment Plans:** To help you manage monthly expenses, The Peck School offers individualized payment plans.
- **Tuition Loans:** Several lenders make loans available to parents to help them finance the cost of a private school education (K-12) for their children.
The Lifelong Returns on Your Peck School Investment

Recently, the National Association of Independent Schools published a guide entitled, “Values Added,” citing a study* funded by the US Department of Education. The study results overwhelmingly support an investment in The Peck School.

- **Students scoring over 1100 on their SATs**
  - 71% - Independent school graduates
  - 20% - Public school graduates

- **Students who complete a 4-year degree**
  - 76% - Independent school graduates
  - 38% - Public school graduates

- **Students who earn post graduate degrees**
  - 55% - Independent school graduates
  - 21% - Public school graduates

- **Students who study these core subjects by 8th grade**
  - **ALGEBRA**
    - 70% - Independent school students
    - 32% - Public school students
  
  - **FOREIGN LANGUAGE**
    - 85% - Independent school students
    - 24% - Public school students

Independent school graduates also expressed:

- Greater satisfaction with their career
- Greater confidence in opportunities for professional development
- Greater pursuit of healthy, active adult lives
- Greater technology skills
- Higher value placed on community service and civic participation

* National Education Longitudinal Study performed by the National Center for Education Statistics.

**Financial Aid Timeline**

<table>
<thead>
<tr>
<th>Month</th>
<th>Action</th>
</tr>
</thead>
<tbody>
<tr>
<td>SEP</td>
<td>Contact the Director of Admissions and Financial Aid</td>
</tr>
<tr>
<td>Jan</td>
<td>Complete and submit a TADS Application</td>
</tr>
<tr>
<td>Feb</td>
<td>Submit supporting documents to TADS</td>
</tr>
<tr>
<td></td>
<td>Submit optional personal letter</td>
</tr>
<tr>
<td></td>
<td>Submit “Request for Financial Assistance Form” to Peck (also available on the Admissions page of our website)</td>
</tr>
</tbody>
</table>

Please note: Each application for financial aid is reviewed separately from the admissions application. Aid is granted on a needs basis and is determined by a family’s ability to meet financial expenses, not a willingness or unwillingness to pay.
