Gilmour Middle School students start high school ahead of the pack.

By the time students leave the Middle School, they have already completed several high school graduation requirements, paving the way for a greater personalization of curriculum which allows students to focus on their passions and take higher-level and AP courses earlier.

Students are better equipped academically and socially for the rigors of high school, making the transition easier and enabling them to hit the ground running. As Middle Schoolers, students become acquainted with the high school environment and at ease with Gilmour’s block scheduling.

Students learn in a supportive, inclusive, holy cross community.

Middle School students are able to participate in Upper School student Organizations and Clubs.

Customize your schedule with curriculum choices:
- Design
- Wellness
- Performing Arts

Students’ transcripts reflect high-level courses, noticeably standing out amongst their peers during the highly competitive college application process.

Weekly learning extension opportunities:
- Creativity and Personal Expression
- Engineering and Design
- Entrepreneurship and Commerce
- Science and Medicine
- Civic Engagement and more

Over 50% of all Gilmour students take at least 3 AP courses before graduating.
