MyKidsSpending.com Deposits for Student’s Cafeteria & Campus Store Debit Accounts

- All Students have a Debit Account that they can use to purchase merchandise in the Cafeteria and the Bookstore. These accounts are setup automatically at the beginning of the school year and are accessed with Personal Identification Numbers (PINs) in the Cafeteria. These PINs are assigned to the Students and remain the same during all the years the Student attends Malvern Prep.

- Money can be deposited by check or cash in the Cafeteria Office or at the registers in the Cafeteria at no charge.

- Parents have the option of registering at www.MyKidsSpending.com in order to view activity on their son’s accounts or to deposit money using check or credit card.

- Registering is easy. Going to the www.MyKidsSpending.com Website and clicking “Create an Account or Add Student to an Existing Account” and follow the directions.

- Having your Son’s School ID Number (not his PIN Number) will make registering much easier and faster.

- Automatic Deposits (Autofunding) can be set up using a checking account once your Son’s account goes below a certain level.

- There is a $50.00 minimum deposit through the MyKidsSpending.com website.

- There are different charges that depend on how money is deposited
  - For each deposit by check, there is a service charge of 75 cents plus 1% of the total deposited. There is a $20.00 charge for any returned check. There can be a 24-hour hold on funds from a checking account on the first check used to ensure that the check clears.
  - For each deposit by Credit Card, there is a service charge of 4% of the total deposited with a minimum of $3.00. Deposits by credit card are generally available the next day.

- MasterCard & Visa are accepted

- If you have any questions, please call or email Tom Gray, Director of Dining Services at tgray@malvernp.org or 484-595-1175.
