SUMMER

AT

HOCKADAY

2020
We look forward to having your child with us this summer!

The schedule below combines one-week camps and classes with two-week camps and classes for coed students entering 5th through 12th Grade.

Before Care is available for Grades 5-8 beginning at 7:30 a.m. in Hockaday’s Biggs Dining Hall. Breakfast is included and pre-registration is required.

After Care is available for Grades 5-8 from the end of afternoon programming until 6:00 p.m. Pre-registration is required.

Campers and students attending programs for a full day will have lunch in Biggs Dining Hall for an additional fee. Full-day programs include lunch in the tuition. Breakfast, and lunch is prepared and served by SAGE Dining Services, Inc.

Class descriptions, tuition, registration, and additional information can be found at www.hockaday.org/summer.

All transportation for camps leaving campus is provided by The Hockaday School’s Department of Transportation.

We look forward to having your child with us this summer!

Summer at Hockaday invites girls and boys, age 3 through entering 10th grade, to experience academics and fun led by a nurturing faculty and staff. Campers and students will make memories with new friends while participating in sports, the arts, technology, academics, and much more. We are thrilled to offer new classes for boys and girls along with favorites that have stood the test of time.

Come discover our POPULAR Summer Math & Writing Institute, STEM Camps, Sports, Academics, Fitness, Theatre, Climbing, Tech Camps, Field Trips, Culinary Classes, LEGO, Math, Minecraft, PLAY, Fun, and so much more! All camps and classes are taught by the very best educators in the Dallas area.

Summer at Hockaday takes place on the campus of The Hockaday School.

SUMMER MATH & WRITING INSTITUTE
Grades 5 through 10
Two-Week Sessions
Full Day Program with Lunch included
Before & After Care Available

DON'T MISS! The Summer Math & Writing Institute offers students in Grades 5 through 10 in-depth instruction in the areas of math and writing, along with opportunities for experiential learning through various elective programs. Students will be assessed on the first day of the institute and placed in the appropriate instructional level. Students who attend a full day will receive individualized instruction in math and writing along with an elective program. Full-day registration is encouraged. However, participation in individual offerings is allowed. Upon registration, you will have the opportunity to select an elective class. Some electives will result in additional fees, which are listed in the class descriptions that can be found at www.hockaday.org/summer. Lunch is included in the tuition for the full-day program.

Returning Students,
We welcome returning students to the Summer Math & Writing Institute! If you have attended the Institute in previous years, our first-day assessments will ensure that your instruction will meet your need. While our summer classes have students from multiple grade levels with a variety of skill levels, we provide you with classwork that will fill gaps and give a glimpse into future math and writing classes.

COUNSELOR-IN-TRAINING PROGRAM
Grades 9 and 10
Two-Week Training Session followed by Two Weeks of Volunteer Assignments
June 8 - July 3
June 15 - July 10
June 22 - July 17

The Counselor-in-Training (CIT) program is taught by experienced teachers who have a breadth of knowledge in the realms of volunteerism, child development, and classroom management. CITs will have the opportunity to learn what it takes to be a counselor through hands-on experience and practice by spending a portion of the session learning the skills necessary to serve as a volunteer followed by opportunities to volunteer in Summer at Hockaday camps and classes. Citizenship and leadership skills are emphasized along with teamwork and gaining real-world experience. Summer at Hockaday campers love our CITs!

IMPACT
A one-week social impact & leadership residential summer experience for High School girls

Through design thinking and teamwork, participants will create solutions to challenges affecting the communities in which we live. Each girl will discover a purpose and passion for social impact and leadership while visiting and learning from various organizations in the City of Dallas. Evenings will include dinners with community leaders, hands-on activities, field trips, and fun!

Experiences and discussions will shed light on the challenges of food access, homelessness, refugees and immigrants, stray animals, environmental challenges, and programs for youth and children. Girls will learn how to become involved and make a difference!

IMPACT takes place July 12 through July 18.
Participants will stay in the dormitories at The Hockaday School.

IMPACT is a collaboration with The Hockaday School’s Institute for Social Impact led by Laura Day and The Hockaday School’s Auxiliary Programs Department led by Melissa Curtis.

For more information and to register, go to www.hockaday.org/summer
Thrive Workshop

A three-day summer workshop to guide high school students preparing for high school, college and life by building self-awareness and discovering their individual strengths and purpose.

High School Students entering Grade 10 through Graduated Seniors
June 16 through June 18.
9:00 a.m. - 3:00 p.m.
Lunch is included.

Through interactive discussions, personality and character strength surveys, and numerous activities aimed at personal growth, students will learn how to create a meaningful and balanced high school and/or college experience. Students will have opportunities to explore ways to impact the world around them and discover their personal interest.

Thrive Workshop is led by Laura Day, William B. Dean Director of Service Learning at The Hockaday School and Kelly Schwenkmeyer, Academic & Life Coach.
