Contact: Momo, Director of After School
momo@rdschool.org or (510) 534-0804 x232

Redwood Day offers students the opportunity to explore talents and interests outside of the school curriculum. Instructors are dedicated educators from within the school community and the greater Bay Area.

ENROLLMENT: Registration opens September 7th. Everyone must register online. Classes have limited enrollment; early registration is recommended. Classes are filled on a first-come, first-served basis and are subject to cancellation if minimum enrollments are not met. If a class does not meet its minimum enrollment and is cancelled, families will be notified and reimbursed for the class, usually within two weeks of cancelation. The Director notifies the Business Office of the refund due, so any questions about refunds should be directed first to the Director. If your child is interested in a class that is not offered at his/her grade level, please contact the Director.

CHANGES/CANCELLATIONS: Please make your selections carefully. Families who enroll and then cancel before the 2nd class will be charged a cancellation fee of $25. No refunds will be given after the 2nd class.

BILLING: Students attending enrichment classes must sign in to Extended Care at dismissal. Families are not charged for time from dismissal through the end of the enrichment class. Any student who is not picked up immediately after an enrichment class will be signed into extended care and billing will commence. Hours are billed in 15-minute increments until an adult signs out the student.

No classes will be held on conference days, early dismissal days, in-service days, school holidays or school vacations.

*New* Middlebury Online Language

Redwood Day is excited to offer Middlebury Online Language as an enrichment class offering in the after-school program. As one of our strategic goals, we want to provide interested students with more language learning opportunities. Third through Eighth-grade students can choose a course in Spanish, French, German, or Chinese (Mandarin) to study. Each course will come with an interactive instructor who will assess and support the student as they progress through the course. Additionally, students will have access to their online language course at home to carry on their course of study at their own pace.

The enrichment course will run 4 afternoons per week from 3:45 - 4:45 pm and students are required to attend at least 2 out of the 4 days. Participants will need to identify which days they will attend so that staffing can be arranged accordingly.

Cost is $250
Open for Grades 3-8.

Mondays – September 30 -January 27

Drawing & Cartooning w/Ruth Boerefijn for Grades 1-5

The Drawing and Cartooning class is a place where we tell our stories through pictures. Our stories come alive as we draw – it is all in the process. We talk about what our characters are thinking and saying; what they are feeling and how each one is responding to the given situation. Whatever the students’ interests, my goal is to support their exploration and progress. There is no lesson plan. Each artist follows his or her own thread and I am in the background ready to work with each person as needed. All materials are provided.

Mixed Levels Contemporary Dance Class for Grades 5-8

Contemporary Dance is a style of movement that emphasizes emotional expression, floor work, flexibility, creativity, strength, inversions, and telling a story through the body! It has been recently popularized by SYTYCD, World of Dance, and Dancing with the Stars, but has roots through Alvin Ailey, Martha Gram, Isadora Duncan, and many Oakland based original artists through history! In this 10-week workshop, teens of all levels will learn rhythm, choreography, precise footwork, upper body strength, stage presence, and a taste of the history of Contemporary Dance culture. This series is based in dance culture, self discovery, body awareness, spacial awareness, partnering, and developmental anatomy. A balance of technique precision will be infused with freedom and personal expression, to foster the dancers' confidence.
