** Also offered August 3 – 4
*** August 5

* Also offered August 3 - 7
Based on current guidelines and information, the 2020 Saints Summer Experience will open on June 15. Due to Covid-19 safety guidelines, we are restricting camp capacities and enforcing social distancing in group settings. We will no longer offer half-day registrations, Lunch Club, inter-campus shuttles, walk-up/same-day registration, or pro-rated/partial weeks.

### Hours

**DAY CAMP**
- All Day Camps: 8:30 a.m. – 2:45 p.m.

**EARLY BIRD/DROP-OFF TIMES**
- All Day Camps: 7:30 a.m. – 8:30 a.m.

**AFTERNOON CARPOOL PICKUP**
- All Day Camps: 2:45 p.m. – 3:00 p.m.
  
  Campers not picked up by the end of carpool will join ACC and their account will be charged a $25 fee.

**AFTER CAMP CARE**
- All campers MUST be picked up by 5:45 p.m. $50 late fee, payable at pickup.

### Fees

**COST** – $250.00 per week

To reserve a spot, a $50 deposit per camp week must be paid online, and you must sign up for auto pay with a valid credit card for the remainder of your balance ($200 per camp week).

**SIBLING DISCOUNT – NEW!**

Third and fourth siblings are eligible to receive a 25% discount on regular camp tuition.

**EARLY BIRD SPECIAL – EXTENDED!**

Save $25/week on regular day camp tuition and $10 per week on After Care! Offer runs through Sunday, May 31, 2020.

**AFTER CAMP CARE** – $60.00 per week.

All grades, South Campus only.

### Policies and Procedures

**Registration Changes**

If you wish to modify or cancel your registration, or apply for a credit toward another week of camp, please email Jay Losset at lossetj@gosaints.org.

**Camper Forms and Paperwork**

All campers must complete the necessary camp forms in order to participate. These forms can be submitted electronically via the Parent Dashboard on Campsite. Please complete these forms through the Parent Dashboard prior to your camper’s first session.

**Camp Closure Protocol and Backup Plans**

All parents and guardians should be aware that camp could be shut down suddenly due to several scenarios, and that camp leadership reserves the right to close without warning. If we have to close, all campers will need to be picked up within an hour of notification of closing. The duration of camp closure will depend on the severity of the circumstances. Please have a backup plan ready to go.

For a full list of policies and procedures, please visit gosaints.org/camps.
Revised Camp Policies and Safety Procedures

The Saints Summer Experience Leadership Team has been closely monitoring the current pandemic situation and has revised our camp policies and safety procedures with input from medical experts and other professionals within our St. Andrew’s community. We are constantly reviewing guidelines from the CDC and the State Department of Health and are observing public health trends and statistics.

Our goal is to preserve the unique, timeless experience of Summer Camp, while keeping all of our campers and staff safe and healthy.

Camp Capacity
Following the recommendations of the State Department of Health and the CDC, we are restricting the camper capacity of each of our camps. Until further notice, there will be no more than ten people together in a camp classroom. We will restrict group gatherings in water play areas and on playgrounds and practice fields to no more than two classroom groups at a time, and social distancing of six feet in these areas will be enforced as much as possible. Once a camp has reached capacity, we will expand by adding additional staff and classrooms, if possible.

Camp Registration/Walk-ups
Camp registration will close at noon each Friday for the following week’s session. After that, we will accept no new registrations. There will no longer be any walk-up/same-day registrations for any session.

Camp Closure Protocol and Backup Plans
All parents and guardians should be aware that camp could be shut down suddenly due to several scenarios, and that camp leadership reserves the right to close without warning. If we have to close, all campers will need to be picked up within an hour of notification of closing. The duration of camp closure will depend on the severity of the circumstances. Please have a backup plan ready to go.

Camp Health and Safety Procedures
To reduce the risk of spreading sickness and infection among campers and staff, we will institute strict new health and safety procedures, maintaining four areas of focus: Health Screening, Hygiene and Sanitization, Contact Reduction, and Health Monitoring.

We will have a dedicated team of Camp Health and Safety Workers who will ensure compliance with all established health and safety guidelines. See below for more information on each area of focus.

Health Screening
All Camp Staff and Campers will be screened daily, upon entrance to and exit from camp. Daily screening will consist of a series of questions (responses will be captured and stored privately and securely), and temperature screening. Anyone with a forehead temperature exceeding 100.4 F or failing to respond satisfactorily to the questionnaire will NOT be allowed to enter camp. Only screened campers and camp staff will be allowed to enter any buildings on campus.
Hygiene and Sanitation
All campers and camp staff will be required to wash their hands thoroughly upon entry to camp, and at regular intervals throughout the day. Hand sanitizer with an alcohol content of at least 60% will be readily available at multiple locations throughout camp. All public areas and especially high-touch surfaces will be cleaned and sanitized regularly throughout the day. Camp staff will wear face coverings when in public areas. Camp housekeeping staff will be following CDC guidelines for daily deep cleaning and sanitization of all classrooms, public areas and restrooms. Younger campers should not bring nap materials other than a freshly laundered blanket. All campers should bring a freshly laundered towel each day for water play.

Contact Reduction
Where possible, in public areas and group recreation areas, gatherings will be limited to no more than two “classrooms” of eight campers (16 campers total), and social distancing of at least six feet will be encouraged by camp staff. We are focusing on group activities that naturally facilitate social distancing. All camp buildings will have clearly marked, restricted entrances and exits and, where possible, we will restrict pedestrian traffic to one-way, to limit passing and interaction. All meals and snacks will be eaten inside classrooms in small groups.

Health Monitoring
In addition to daily intake and discharge screenings, all camp staff will engage in continual health monitoring of campers. If a camper or staff member appears to be exhibiting symptoms of sickness, they will be removed from their group and monitored. Their temperature will be taken and recorded. If they are, in fact, displaying fever or other symptoms, they will be isolated (with proper supervision) and a parent or guardian will need to pick them up from our designated isolation space within 30 minutes. Guidelines for returning to camp will be determined on a case-by-case basis.

Field Trips
Until further notice, all camp field trips have been cancelled. If it is deemed safe to gather at area attractions, we will reconsider this policy.

Inter-Campus Shuttle Bus
Until further notice, the inter-campus midday shuttle has been cancelled. If campers need to be transported, it will be in small groups, via school-owned passenger vehicle.

Lunch and Snacks
Until further notice, for safety reasons, Lunch Club has been cancelled. All campers will need to bring their lunch each day to camp. We will serve individual-serving snacks.

For a full list of policies and procedures, please visit gosaints.org/camps.
LOCATION: The physical address of the South Campus is 4120 Old Canton Road, Jackson, MS 39216. The direct phone number for the main office is 601-987-9325. Camp Director’s cell is 601-750-6835. The North Campus is located at 370 Old Agency Road, Ridgeland, MS 39157. The North Campus Main Office number is 601-853-6000.

MEDICAL: If your camper has allergies or other medical conditions that we should be aware of, please be sure that you've filled out the appropriate medical forms in Campsite. Those forms can be found at the Parent Dashboard. Click on Forms. Allergies can be indicated on MEDICAL FORM #1.

If your camper has an EpiPen or asthma-related medications, you must fill out the Medication Authorization Form and have it completed and signed by the child’s doctor, and also the Food Allergy and Anaphylaxis Emergency Care Plan and/or the Asthma Action Plan as necessary. All EpiPens and emergency medication will be stored during the week in a location that is accessible by camp teachers and directors. They will be returned with your camper at the end of the week. Campers are not allowed to self-carry and/or self-medicate. We cannot dispense any over the counter (OTC) medicines during camp. If your child needs OTC medicine, you or an authorized pick up person can come and administer the medicine in person.

DROP OFF: Morning carpool drop off is from 7:30 – 8:30 a.m. All carpool drop off will take place in front of Kennedy/Ford Halls, where we will conduct curbside health screening. We ask for your patience and that you remain in your car so that you can pull forward to keep the line moving. Each camper will be screened and then escorted to their classroom by a counselor. Only screened campers and camp staff will be allowed inside the building.

If you drop your camper off after 8:30 a.m., you will need to park and call so that a member of camp staff can come out to conduct the screening and escort your camper to their class.

PICK UP: Afternoon carpool pick up is from 2:45 – 3:00 p.m. for all campers. All pick ups will take place in front of Kennedy/Ford Halls. Any campers not enrolled in ACC who are not picked up by the end of carpool will be join the campers in ACC and their account will be charged a $25 fee.

If you need to pick up your camper before the start of carpool, you will need to park and call so that a member of camp staff can get your camper from their classroom and bring them to you.

SUNSCREEN: Please be sure to apply sunscreen to your campers 15 – 30 minutes before they arrive at camp, and send SPRAY sunscreen, labeled with their name. They will be able to re-apply as needed. We'll prompt them at appropriate times during the day. Counselors will assist our younger campers as needed. We can’t assist with application of lotion sunscreen.

ELECTRONIC DEVICES, TOYS, CARDS: Camps and classes are better when everyone is interacting. We don’t allow any electronic devices in day camps, summer camps, after camp care, or enrichment classes. This means phones, iPads, tablets, handhelds, etc. — please leave it all at home.
Day Camp Details (Continued)

During After Camp Care sessions in the summer, **small toys and cards** ARE allowed, but we are not responsible for bad trades or missing/lost items. Please don’t send anything that would cause devastation if lost.

**LUNCH AND SNACKS:** Until further notice, for safety reasons, Lunch Club on the south campus has been cancelled. All campers will need to bring their lunch each day to camp. We will serve individual-serving snacks.

**NAPS/REST TIME:** Pre-K3 and Pre-K4 Campers have nap/rest time each day after lunch. Please send a freshly laundered blanket. We will provide a mat if needed. Be sure the blanket is labeled. Please note that Kinder and first graders do not have nap/rest time after lunch. There’s no need to send nap/rest stuff with your camper if they are not in Pre-K3 or Pre-K4.

**WATER PLAY:** Firefly Campers (entering Pre-K3) have water play each morning, except Fridays, and Kinder Campers (entering Pre-K4, kinder, and 1st grade) have water play each afternoon. Send them in their swim gear, or send their swim gear in a gallon ziploc bag inside their camp bag. All campers should bring a freshly laundered towel **each day**.

**LOST & FOUND:** Please be sure everything you send with your camper is clearly labeled with first and last name. We do daily round ups and try and return all lost items to their owner’s bag, but sometimes things go permanently missing. Please don’t send any items that would cause great heartbreak if lost.

**SOCIAL MEDIA:** Each week, we have a dedicated Camp Media Specialist who will be documenting our days and posting pictures and videos to our social media accounts. Be sure to keep up with all of the action on Facebook and Instagram! Our handle on both sites is /gosaintsaux.

**AFTER CAMP CARE (ACC):** After Camp Care runs each day from 2:45 – 5:45 p.m. on the South Campus, and is staffed by After School Care teachers. We serve a snack each day in ACC. This year, all ACC will take place in Kennedy Hall.

You will go to the main entrance of Kennedy Hall to pick up Campers. There will be someone to walkie to the staff for your camper. ACC ends at 5:45. Don’t be late — our late pick up charge is $50!

Trading cards, small toys, spinners, etc ARE allowed in ACC. Electronic devices are not.

**HONOR CODE AND STANDARDS OF BEHAVIOR:** All students who register for St. Andrew’s Episcopal School summer programs, even if they are not students at St. Andrew’s, are expected to follow and honor the standards of behavior which are based on the St. Andrew’s Honor Code, which is:

**On my honor as a St. Andrew’s student, I pledge that I will neither lie, nor cheat, nor steal.**

See the Handbook for Students and Families, page 27. Standards of behavior/disciplinary procedures are on page 33.

For a full list of policies and procedures, please visit gosaints.org/camps.
Join us for a special camp for our youngest friends! Firefly Camp has its own dedicated staff and counselors. We have motion and water play, and crafts, STEM lessons, cooking and play time throughout each week! After lunch, we have nap/rest time. Firefly Camp is a great way to get to know Early Childhood at St. Andrew’s and make some amazing new friends!

**Week 1: Cancelled (June 1 – 5)**

**Week 2: Cancelled (June 8 – 12)**

**Week 3: Camp Firefly (June 15 – 19)**
What an exciting way to kick off Summer 2020! We will explore nature, go on a scavenger hunt and even have our very own indoor campout. You do not want to miss out on this camping adventure!

**Week 4: Artful Antics (June 22 – 26)**
Creativity comes alive this week! Campers will explore all things art. Paint, homemade clay, watercolor, and mosaics will keep us busy as we investigate all things art.

**Week 5: Celebrating Around the World (June 29 – July 2*)**
Join us as we discover different countries and their special holidays. We will end the week with a patriotic parade to celebrate America.

*NO CAMP ON FRIDAY, JULY 3.

**Week 6: Super Hero Week (July 6 – 10)**
Unleash your inner super hero! Campers will have fun taking on villains, training to improve their superhero strength, and we might even meet some real super heroes!

**Week 7: To Infinity and Beyond (July 15 – 19)**
This week we will be discovering the universe and participating in out-of-this-world activities such as rocket building and making solar systems. We will also learn how to protect our planet as we reach for the stars.

**Week 8: Fun and Fitness (July 20 – 24)**
Get ready for a sports extravaganza! Campers will get to try out different sports in this week of fitness fun.

**Week 9: Camp Rewind (July 27 – 31)**
What was your favorite experience from Summer 2020? We will revisit our favorite crafts and activities from the summer and we’ll put a new spin on them. It will be an extraordinary week of fantastic fun!

**WEEK 5 PRICING:**
DAY CAMP – $200/WEEK
AFTER CAMP CARE – $48/WEEK

For a full list of policies and procedures, please visit gosaints.org/camps.
Campers have a blast each week in Kinder Camp with regular rotations including Motion/Movement, Cooking, Gardening, Art, Storytelling, Creative Learning, STEM, Water Play, Camp Games, free play, and lots more!

Week 1: Cancelled (June 1 – 5)

Week 2: Cancelled (June 8 – 12)

Week 3: Gone Camping! (June 15 – 19)
Let’s get out and explore nature. Kids will have an Eye-Spy Nature Scavenger Hunt to see who can be the first to spot certain items. Search for animal tracks, learn about cloud inspecting, identify trees, play camping games such as ring toss, horseshoes, cornhole, tic tac toe and more. Join us at the campground and let’s have some fun!

Week 4: All About the Artist (June 22 – 26)
Spend the week letting the creativity flow. We may even find our next little Picasso! Guest artist Jessica Ferris will be joining us and sharing some art knowledge. So, get your messy clothes on and your paint brushes ready for this week of personal expression and art.

Week 5: Party in the USA (June 29 – July 2*)
Have fun participating in activities that celebrate our country and traditions. We will have our famous Red, White, and Blue Parade, and create patriotic-themed crafts.

*NO CAMP ON FRIDAY, JULY 3.

Week 6: Superheroes, Unite! (July 6 – 10)
This week, we are all superheroes — and we might meet a few real-life ones. We will share and learn all about our favorite heroes, both fictional and real.

Week 7: Weird Science (July 13 – 17)
This week we will embrace the weirdness of science! We will make sparkling monster goo. We will see if we can make ants change color. Let’s create a fizzy colorful masterpiece, toss around some sorbet and make a floating fairy jar. It’s going to be awesome!

Week 8: Have a Ball! (July 20 – 24)
Spend the week learning about teamwork through a variety of different sports such as football, basketball, soccer, dodgeball, and more. We might even find the next Zion Williamson!

Week 9: Mystery Camp (July 27 – 31)
Campers will delve into various mystery adventures. Fun games and puzzles abound!

WEEK 5 PRICING:
DAY CAMP – $200/WEEK
AFTER CAMP CARE – $48/WEEK

Week 1: Cancelled (June 1 – 5)

Week 2: Cancelled (June 8 – 12)

Week 3: The Great Outdoors (June 15 – 19)
This week, Adventure Campers will be celebrating life in the great outdoors. We will be learning about national parks, wild animals, orienteering, and more.

Week 4: The Wonderful World of Art (June 22 – 26)
Adventure Campers will spend this week focusing on the wonderful world of art. We will look at works of art in famous museums all over the world to inspire our very own art museum.

Week 5: Around the World (June 29 – July 2*)
This week, Adventure Campers will be learning about world geography. We will explore a variety of places, people, and cultures, focusing on national holidays from around the world. We will end the week with a Fourth of July celebration.

*NO CAMP ON FRIDAY, JULY 3.

Week 6: Fictional Heroes (July 6 – 10)
Adventure Campers will learn about famous fictional heroes. Whether you admire Captain Marvel, Superman, Princess Leia, or Harry Potter, we will delve into the world of fantasy!

Week 7: The Future of Science (July 15 – 19)
Adventure Campers will imagine what the future will be like with advanced science. We will dabble in technology, engineering, space exploration, and more.

Week 8: Adventure-lympics! (July 20 – 24)
Adventure Campers will research the origins of the Olympics, learn about the importance of Olympic values, such as respect, friendship, and excellence, and explore various Olympic host cities. Campers will take part in our very own Adventure-lympics!

Week 9: Camp Rewind (July 27 – 31)
This week, Adventure Campers will put the summer on rewind. We will spend the week reliving the best activities of the summer.

For a full list of policies and procedures, please visit gosaints.org/camps.
EXPLORER CAMP
5th – 8th grades

Exclusively for rising 5th through 8th grades, Explorer Camp features a smart and entertaining array of weekly camp themes. Campers will engage in fun learning experiences in the South Campus Discovery Center each morning. At noon, they’ll eat lunch and then continue with collaborative projects and outdoor play for the rest of the day. Camp wraps up with dismissal carpool at 2:45 p.m. After Camp Care runs until 5:45 p.m. on the South Campus and can be added for an additional $60.00 per week. We also have an Early Bird drop off option — you can drop off as early as 7:30 a.m. for no additional charge.

Week 1: Cancelled (June 1 – 5)

Week 2: Cancelled (June 8 – 12)

Week 3: Shark Tank (June 15 – 19)
Campers will use this week to hone their entrepreneurial skills, either by finding a need that is underserved or figuring out a way to disrupt an already existing service. They will work to refine their pitch and product before presenting to a panel of SA sharks.

Week 4: Radio Production (June 22 – 26)
Do you have what it takes to make the next hit podcast? We will spend this week brainstorming, writing, recording, editing, and eventually sharing out different types of podcasts. In the past, campers have made radio dramas, sketch shows and informative talk shows.

Week 5: Escape Room! (June 29 – July 2*)
We’re going for the threepeat! We will spend the week designing and testing our own escape rooms, which will be calibrated to challenge both adults and campers from Adventure Camp. Don’t miss out on this fabulous week!
*NO CAMP ON FRIDAY, JULY 3.

Week 6: Explorer Olympics (July 6 – 10)
We will dive into the history and pageantry of the Olympics. Students will get to experience some discontinued Olympic events (Tug of War, anyone?), design national outfits for the parade of nations, and come up with events and sports they’d like to see added to the games. We will culminate the experience with our own mock games.

Week 7: Bridge Building Challenge (July 15 – 19)
Campers will form competing engineering firms for this week’s challenge. They will balance the cost of materials, time, and size constraints before stress-testing their bridges at the end of the week. Hard hats not required!

Week 8: Filmmaking (July 20 – 24)
Campers will use iPads to make their directorial dreams come true! We will experiment with making live action and stop motion projects, practice script writing, and try our hand at filming commercials.

Week 9: Let’s Game it Out (July 27 – 31)
We will spend this week looking at the design behind some popular card and board games, before creating our own! Students will choose whether they want to make a board game or card game, pen rules, and run playtests.

WEEK 5 PRICING:
DAY CAMP – $200/WEEK
AFTER CAMP CARE – $48/WEEK

Virtual Summer Saints offers for-credit virtual classes during the summer to our current Saints community and to students from other schools in grades 7 – 12. This program will serve academically motivated students seeking to move ahead a full year in a subject, complete a required course to create more room in their regular schedule, or take an elective course that is typically not offered during the school year. Participating in this program will create more opportunities for students to take a wide array of specialized classes later in their high school years.

Virtual Saints reimagines teaching and learning to allow students the flexibility to participate from anywhere in the world and to complete the work within their own schedules. Combining both real-time meetings with at-your-own-pace activities and assignments, St. Andrew’s teachers will leverage the best pedagogical practices with new technology to design a unique and engaging experience for all. In addition, students can expect to have weekly individual virtual meetings with teachers to receive further guidance and feedback, for a truly personalized learning experience. Required real-time meetings (for whole class instruction, small group collaboration/discussion, or one-on-one consultation with faculty) will take place within a window of time, either in the morning (a.m. courses) or in the afternoon (p.m. courses); however, teachers might not use that entire time each day. Students can expect an average of 25 hours of work each week, with most of that time devoted to asynchronous activities.

Enrolled Virtual Summer Saints students are taking an academic for-credit offering at St. Andrew’s Episcopal School. Six week courses are the equivalent of a year-long course credit. Three week courses are the equivalent of a semester course credit. St. Andrew’s will produce a copy of your final report card or transcript to share with your current school. St. Andrew’s cannot guarantee that your current school will honor course credits earned at St. Andrew’s; therefore, you might want to speak with your current school’s registrar or upper school director, as needed, before or following enrollment. St. Andrew’s is fully accredited and will provide literature and documentation to assist you with these questions.
Algebra I  
*Rising eighth and ninth grades*  
Algebra I is designed to give students a foundation for all future mathematics courses. The fundamentals of algebraic problem-solving are explained. Concepts to be studied will include foundations of Algebra, solving equations and inequalities, linear and quadratic functions, systems of equations and inequalities, polynomials and factoring, radical expressions and equations, introduction to exponential functions, and data analysis and probability using real world data. Algebra I in a summer school environment is designed to complete a year-long Algebra I class in an accelerated six-week time frame. In order to be successful in this course, the student needs a strong background in Pre-Algebra and a consistent work ethic.

Dates: June 15, 2020 – July 24, 2020

$1,000 (Enroll after May 31)

Honors Geometry  
*Rising ninth grade*  
Honors Geometry provides an in-depth study of Euclidean Geometry. Concepts to be studied will include a quick review of linear equations from Algebra I, inductive reasoning, angle relationships, congruence and similarity, solving problems using properties (triangles, polygons, and circles), three dimensional figures, and transformations. Honors Geometry in a summer school environment is designed to complete a year-long Honors Geometry class in an accelerated six-week time frame. In order to be successful in this course, the student needs a strong background in Algebra and a consistent work ethic.

Dates: June 15, 2020 – July 24, 2020

Spanish I
*Rising ninth and tenth grades*
This is an intensive course that focuses on introducing students to basic concepts of the Spanish language both grammar, vocabulary, and the four skills: speaking, listening, writing, and reading. Additionally, students will be introduced to the Spanish-speaking world cultures and practices. This course will prepare students for the successful completion of Spanish II in the fall.

---

Spanish II
*Rising ninth through eleventh grades*
This is an intensive course that focuses on improving students’ language skills and concepts learned in Spanish I. This intensive course will continue to emphasize the fundamentals of the Spanish language and to challenge students to increase the breadth and complexity of their language skills. Students will be prepared to start Spanish III in the fall.

---

Spanish III
*Rising eleventh grade*
This is an intensive course that focuses on improving students’ language skills and concepts learned in the previous two levels. The program is standards-based, organized thematically to include real-life thematic and cultural contexts. Students will have opportunities to interact in the target language to solidify culturally appropriate communication skills using authentic materials. Students should be ready for level IV during the fall semester upon successful completion of the course.

---

US History
*Rising eleventh grade*
The Virtual Summer course on United States History provides students with an overview of American history from the colonial era to the late twentieth century. Over the course of six weeks, students will learn the essential elements in American political, economic, social, cultural, and diplomatic (foreign policy) history, and they will gain an understanding of how the United States moved from being an outcropping of the English Empire to the leading superpower in the world.

---

Global Studies
*Rising eleventh and twelfth grades*
This course is designed to expand your understanding of our world and introduce you to the field of global studies by examining both the possibilities and ethical responsibilities that come with this interconnectedness. We will focus on topics such as human rights, war and peace, migration, the environment, identity and culture, population and resources, trade and the economy, and government. We will leverage technology to connect to people and organizations around the world as we also consider the impact of all of this on our local communities.
Psychology
*Rising ninth through twelfth grades*
Have you ever wondered why you think and act the way you do? Or how to critically examine the research studies that you so often read about or see in the news? If these questions pique your curiosity, then this course is for you! We will study topics such as psychological disorders, memory, personality, sensation and perception, neuroscience, motivation, emotion, social psychology, intelligence, and child development. Throughout the course, you will be actively involved in experiments and activities, employ psychological research methods, and discuss ethical considerations. At the end of the summer you will be better able to understand, explain, and predict human behavior.

Coding with Python:
A Beginner to Intermediate Coding Course
*Rising seventh through twelfth grades*
Python is currently the most popular programming language in the world. Used in web applications, data analytics, games, and networking, Python is a great language to learn. Because of its simplicity in terms of command structure, Python is incredibly readable and logical. This course is designed for a range of students from those who have no coding experience all the way to intermediate coders with experience in other languages. Because many of the lessons may be completed at the student’s own pace, more advanced students will be given more advanced challenges while novice coders can feel comfortable learning the basics.

Space Camp
*Rising kindergarten through first grade*
Let’s get ready to blast off! In this camp, your child becomes a space cadet. We will fine-tune our reading, writing, arithmetic, and athletic skills as we prepare to travel to the moon. The camp will end with a “field trip” to the moon (during which our cadets will be surprised by technical setbacks, requiring them to utilize their knowledge about space to navigate their way back home ... shhh!).

Instructor: Summer Keane
Cost: $195
Dates: Monday, July 20 – Thursday, July 23
Times: 8:30 a.m. – 11:30 a.m.
Location: South Campus

Astronomy Camp
*Rising second through seventh grades*
The first building completed on the North Campus was the observatory. This is significant because astronomy, or the study of the heavens, is considered the oldest science. Join us for a week of learning about our origins, how we use astronomy in our everyday lives, and how space can help us to imagine our futures. We will also have some evenings designated for observation of the moon, Jupiter, and Saturn. Observation nights are open to the whole family.

Faculty: Price Chadwick
Cost: $155
Dates: Monday, July 27 – Thursday, July 30
Times: 1:00 p.m. – 4:00 p.m.
Location: North Campus

Soccer Shots
*Rising PK4 through third grade*
Soccer Shots Camps provide children with an opportunity to develop their soccer skills, their character, and their creativity. Centered around a theme, children are provided with fun activities that include soccer games as well as a variety of other age appropriate options such as crafts, team building exercises, snack time, or even literature. Children will be encouraged to participate in daily themes, and each camp will conclude with a celebration of the children’s hard work.

Instructor: Derek Rooker
Cost: $195
Dates: Monday, July 6 – Thursday, July 9
Times: 8:30 a.m. – 11:30 a.m.
Location: South Campus
Mini Hawk Camp — NEW DATES!
*Rising PK4 through first grade*
This multi-sport program was developed to give children a positive first step into athletics. The essential aspects of flag football, basketball, and baseball (T-ball) are taught in a safe, structured environment with lots of encouragement and a big focus on fun. Our Mini-Hawk games and activities were designed to allow campers to explore balance, movement, hand/eye coordination, and skill development at their own pace. Skyhawks staff are trained to handle the specific needs of young athletes.

Instructor: Paul Van, Skyhawks  
Cost: $160  
Dates: Monday, July 20 – Thursday, July 23  
Times: 8:30 a.m. – 11:30 a.m.  
Location: South Campus

Skyhawks Flag Football
*Rising first through fifth grades*
Skyhawks Flag Football is the perfect program for young athletes who want a complete introduction to “America's Game” or for those who simply want to brush up on their skills in preparation for league play. Through our “skill of the day” activities, campers will learn skills on both sides of the ball including the core components of passing, catching, and de-flagging or defensive positioning — all presented in a fun and positive environment. Skyhawks Flag Football is recommended for beginning to intermediate athletes.

Instructor: Paul Van, Skyhawks  
Cost: $160  
Dates: Monday, July 13 – Thursday, July 16  
Times: 8:30 a.m. – 11:30 a.m.  
Location: South Campus

Skyhawks Beginning Golf
*Rising first through fifth grades*
One of our most popular programs, Skyhawks Golf focuses on building the confidence of young athletes through proper technique and refining the essential skills of the game. Golf is a challenging and lifelong sport, so young athletes need proper focus on the fundamentals of form, swinging, putting and body positioning. To assist in this training, Skyhawks utilizes the ShortGolf® system which uses modified equipment and a curriculum developed by PGA professionals. ShortGolf is specifically designed for the entry-level player and simplifies instruction so that young players can make an easy & effective transition onto the golf course. No need to bring your own clubs, all equipment is provided. For safety reasons we keep the instructor to camper ratio for this program very low, resulting in limited availability. As a result, these programs fill up quickly.

Instructor: Paul Van, Skyhawks  
Cost: $160  
Dates: Monday, July 13 – Thursday, July 16  
Times: 8:30 a.m. – 11:30 a.m.  
Location: South Campus
